MCDOWELL, Sean McDowell, 2024-08-20 He thought Christianity was a sham Then it changed his life Skeptic Josh McDowell thought Christians were out of their minds He ridiculed and insulted them then decided to combat them with his own thorough research to disprove the claims of Jesus Christ To his surprise he discovered that the evidence suggested exactly the opposite that Jesus instead of being simply a first century Hebrew carpenter truly was the God he claimed to be Josh went on to write the inspirational work on Christian apologetics More Than a Carpenter which has sold over 15 million copies In this revised and updated edition with over 15 million copies in print since its original publication More Than a Carpenter has changed countless lives Now in this revised and updated edition Josh is joined by his son Sean as they tackle the questions that today's generation continues to ask Can I be spiritual without believing in God How can I make sure that my life counts for something Is it really possible to know anything for sure about God or Jesus This edition is an accessible read for seekers and a great evangelism tool *With Us More Than Ever* Yoram Bilu, 2020-07-21 Rabbi Menachem Mendel

Golden Pearls From Heaven The World's Greatest Poet Paradise Gray, 2022-03-02 In the book *Golden Pearls From Heaven* I have written all original poems such as *God Counted Souls* *The Day I Met the King* *What Is God Like* *I Am Easter* *A Portrait of a Pastor* *No Charge* *I Will Not Quit* *The Miracle* and many more These poems are meant for churches all over the world ministers pastors youth leaders and mothers throughout the world I fully guarantee your personal enjoyment of all these poems May you be richly blessed Much love Mr Paradise Gray The World's Greatest Poet John Katharine Pearson Woods, 1896 What If God Has a Vagina? John Casperson, 2020-04-01 Stars and galaxies atoms and molecules all created so to render a divine arena for God to love man and for man to love God Atoms and molecules of our bodies observe the same physical laws as those stars of the cosmos Yet divinity rests not with the stars but within each of us whose spirit seeks to touch them In the twenty first century it is now more appropriate to equate gender identity with a spiritual hemisphere masculine or feminine than merely biological plumbing genitalia I think too that the Golden Rule Do unto others as you would have them do unto you falls short of the mark unless the statement applies to animals and plants Misogyny the hatred of women Or more provocatively is misogyny the hatred of being attracted to women Evil resides within one's own mind and is

pointed toward other people as hate envy bigotry racism etc The mind is a wonderful window for the sun to shine in but only works if the shades are open Men and women participate in the game of sex the board is the same but men bring checkers and women bring chess pieces The most marvelous sex organ isn't between the legs it's between the ears Let's be clear worship is not love Worship is idolatry love is love We seek expression sexual or otherwise without hindrance to seek and discover self our unique identity our inner yearning to reach for infinity left behind yet achingly just ahead Our souls strive for freedom and in so doing What we commonly call man the eating drinking counting man does not as we know him represent himself Him we do not respect But the soul whose organ he is would make our knees bend When it breathes through his intellect it is genius When it breathes through his will it is virtue When it flows through his affection it is love

Walt Whitman *More Than A Dream* Loren Yadon, 2019-06-11 It is no accident that approximately one fourth of the book of Genesis was dedicated to the life of Joseph the favored son of the patriarch Jacob That is more literary space than was given to anyone else including Joseph's illustrious great grandfather Abraham His life was the bridge between the patriarchs and the exodus Without the details of Joseph's life the history of the Jewish people in Egypt would be filled with unexplainable gaps If Moses was indeed the compiler of this history then he intentionally wanted his readers to understand the life lessons Joseph left as a legacy for people of faith It is important to see the role and motivation his childhood dreams played in shaping his life and holding him in the embrace of grace through unjust treatment and the exaltation of power His life can be summarized in the words to his brothers You meant evil against me but God meant it for good Genesis 50:20 **Sophia Loren** Cindy De La Hoz, 2025-05-01 The first book on Sophia of its kind Sophia Loren Movie Star Italian Style is a photographic tribute to the beloved icon recounting the star's extraordinary life and notable films From the humblest of beginnings in her native Italy Sophia Loren has gone on to have one of the most interesting paths in motion picture history In a career spanning close to seven decades she starred in epic blockbusters of the 50s 60s and 70s dazzled in dramatic roles opposite the likes of Cary Grant Marcello Mastroianni John Wayne Gregory Peck and Marlon Brando and turned heads in classics like Houseboat Marriage Italian Style Grumpy Old Men and Two Women for which she was awarded the first Academy Award for Best Actress in a leading role given to the star of a foreign film Sophia Loren is a photographic tribute to the beloved icon taking you on an illustrative journey through her remarkable life dearest relationships and diverse film canon Filled with hundreds of rare color and black and white photographs and featuring quotes by Sophia and those who have known her best it's a volume as stunning as its ageless subject *The Quarterly Review (London)*, 1835 **More Than A Promise** Diane Boyette, 2022-11-23 Our lives are filled with unique challenges that either make or break us Often we find that on the other side of a breaking something new strong and incredibly beautiful emerges It's like the phoenix that emerges from the ash heap Such is the beauty found in More Than A Promise Diane Boyette tells the story of how her brother and her family faced incredible heartbreak and pain as they encountered the many challenges brought about by her brother's

lifelong battle with drug addiction With three months to live she shares the intimate story of how they walked him right up to his very last breath in his final life battle with lung cancer This riveting saga of a family s painful struggle through drug addiction highlights broken promises and shattered dreams across more than four decades Though difficult to see at times threads of faith and hope are found woven into their lives In the end the power of prayer and forgiveness emerges stronger than the power of addiction Addiction touches many lives in deeply painful ways It can leave lifelong scars on the hearts and souls of the addict as well as those who love him or her These scars can be beautiful reminders of how God s incredible grace and mercy follows each of us day by day throughout our lifetime God s promise of Barry s redemption is fulfilled in this story but more than a promise is found in these pages Surely Your goodness and mercy will follow me all the days of my life and I will dwell in the house of the Lord forever Psalm 23 6
