**How Al-Anon Works for Families & Friends of Alcoholics** Al-Anon Family Groups, 2018-08-01 Al-Anon's basic book is ideal for sharing widely with newcomers as a way of paying our gratitude forward *Alcoholism and Other Drug Problems* James E. Royce, 1996

**Group Psychotherapy with Addicted Populations** Philip J. Flores, Jeffrey Roth, Barney Straus, 2023-06-09 This newly updated and streamlined edition of *Group Psychotherapy with Addicted Populations* provides proven strategies for combating alcohol and drug addiction through group psychotherapy. The interventions discussed in the book build on a foundation of addiction as an attachment disorder rooted in the understanding of addiction as a family disease. An appreciation of group and organizational dynamics is used to address the complex experience of developmental trauma that underlies addiction. Having identified the essential theoretical underpinnings of supporting recovery from addiction in Part One, the second half of the book gives a thorough nuts and bolts description of constructing a psychotherapy group and engaging productively in the successive phases of its development from initiation of treatment to termination. The book concludes with specific recommendations for group psychotherapists to increase their competence with groups, deepen their appreciation of group and organizational dynamics, and develop a community of support for their own well-being. These methods are important for psychotherapists working with addicted populations who are inexperienced with group psychotherapy as well as seasoned group psychotherapists wishing to enhance their work.

T., 1998-02-15 This book offers the reader far ranging suggestions based on experience for the most common issues and dilemmas that arise when one agrees to be someone's sponsor in any of the twelve step fellowships. The guide is a wonderful resource for anyone who has agreed to be a sponsor who wants a sponsor who does not have the best sponsor for him/herself or access to a sponsor.

**Breaking Free** Sara Colvin, 2019-11-12 After nine and a half years of recovery, Sara had built a successful life for herself and her daughter. A life they both found rewarding, exciting, and prosperous. Until the day she relapsed into an uncontrollable addiction. An eighteen-month drug run came crashing to an end in the back of a police car with Sara in shackles and handcuffs. She was sent to the county jail where she had a million-dollar bail and was facing over a dozen serious felony charges. Not knowing if she would be spending the coming years of her life as an inmate in a state prison, Sara was inspired to create this personal memoir. One evening early on, I heard a voice clearly speaking to me: Prepare your heart to receive my gift. I cannot explain how I recognized the voice of God. I simply knew that I was to embark upon a journey illuminated by revelation and marked by agony and ecstasy. Alone and secluded in the darkness of confinement, I committed to embark upon the path ahead. Sara's real-life account affirms that addiction is deadly, progressive, and incurable. Her experience also proves that there is a solution called recovery. Sara details both in an intensely moving memoir.
