I Lost My Marble:

I Lost My Marbles Caren S. Dillman, 2014-08-25 Why when we live in a sexually obsessed culture do we hide our sexual brokenness So many children are emotionally abandoned after abuse and left to navigate their way alone through life struggling to find sexual wholeness It takes a great deal of courage to confront an abuser The shame along with the lie that we are not good enough lingers long after the abuse I believe it is what fuels the secrets If victims were able to tell their stories safely and freely I believe they would be able to heal far more easily from childhood abuse What a great example of You have to live it if you re going to give it Caren has helped all of us live it better Stephen Arterburn Founder of New Life Ministries I Lost My Marbles is an authentic vulnerable look at a journey no one ever signs up to take Written with courage and honesty Caren Dillman s story reveals the abuse that many suffer at the hand of a trusted loved one Her book is also a humorous and candid love story and a narrative of faith that is developed in the midst of the storm The powerful conclusion will take your breath away Gayle M Samples PhD Licensed Marriage and Family Therapist Executive Director at Emmaus Road Counseling A powerful read presented with honesty and hope Caren Dillman s unflinching narrative of trauma strikes deep in the heart We feel her pain her shame and her confusion We cheer her victories Most of all we come away with a profound appreciation for the author s story and her willingness to bring it into the light Tammy Fletcher Licensed Marriage and Family Therapist www.fletchertherapy.com

It Has Taken a Lifetime Gene D. Lord, 2021-06-16 Writing this book has been in my bucket list for about twenty five years I wanted to share my experiences growing up in the country along with my wonderful family Marrying my wife Marsha and having our two boys and our four grandchildren have been some of the best blessings a man could have Sharing my Christian testimony of how God has been with me throughout my life has been so satisfying God was working on me long before I even realized it Spending time with my beautiful friends and having experiences with them while hunting camping and enjoying the outdoors have been a significant part of who I am Spending almost fifty years working with Flowers Foods was a wonderful experience that allowed me to meet so many people and share my story with each of them God has been so good Some would say I had been successful in life and as the world may see it I suppose I have been However I believe my most significant success has been Being right smack dab in the middle of where God wanted me to be

The Blue-Glow Fire Unbeatable Marble Edward Connor, 2018-01-09 This is a fanciful story as the main character mainly recounts one particularly eventful year of his life as a young boy living in a fictional small town in rural Australia Sawtip was a unique hamlet that had strangely attracted a hodgepodge of characters from all over the world People who never quite felt they belonged anywhere until they found Sawtip Among the folk who entered the boy s life was his teacher Mr Cramburn a troubled soul who escaped what he could of life by anchoring himself to his cherished Rules of Life The somewhat dotty but dear Miss Julia Castalia and Mr Cramburn s mother whose sad life had turned her into a selfishly possessive parent and drove her son to his excesses but whose eccentricities revealed a woman of imagination and

love There were also the O Nancyitches an impish family of peplechauns a cross between leprechauns and people In particular the daughter of that family Peggy O Nancyitch who kept to herself but was ever present when the young narrator needed rescuing The narrator s family consisted of his nine siblings which included his elder twin brothers whom he had always perceived as the worst of his tormentors There was his story telling father and his mother who was always there with tenderness and wise comforting words And not to forget the was his walking stick wielding and cantankerous grandmother who was also always there and always to be avoided The narrator s life revolved around his friends school playing marbles avoiding the bullies and his lifelong infatuation with Charlotte Prissy Face Righteous Worthington Having fun and getting into mischief were prime ingredients in the boy s life In pursuit of these he and his companions tormented the valley s cows into going on a milk strike before getting their revenge The young narrator had constantly to be on his toes to cope with the bullies that plagued his life However although bullies had the brawn he had a reservoir of cunning and imagination and of course Peggy Playing marbles was a great attraction to the boys of Sawtip and the narrator was a champion Unfortunately Simon the Bulldog from Brooklyn Jones also fancied himself as a marbles aficionado and worse still he was also enamoured with the beautiful Charlotte This led to several potentially unpleasant encounters as she manipulated them both that culminated in the greatest marbles game in the entire history of all marbles games It was during that game that the fabled Blue Glow Fire Unbeatable Marble appeared when utter defeat loomed large In adulthood he saw his friends from childhood drifting away and out of his life His infatuation with Charlotte eventually led to a wedding ceremony however the enigmatic Peggy O Nancyitch and another appearance of the mythical Marble saved the young man this time from a fate of nagging and mundane boredom

The Dragon in the Drain Jane Cooper,2016-05-10 Alf Lomax just wants a quiet life And since he lives in the village of Gribble that s just as well because there are no other kinds available Nothing happens in Gribble Ever No one leaves no one arrives and no one does anything remotely interesting Alf lives with his mother goes to school and hangs out with his best friend Wilf Atkins That s it When Wilf is chased out of a drain by a dragon one Sunday afternoon Alf s boring but safe life is transformed and he s not at all happy about it He has enough trouble dealing with next door s cat let alone a mythical creature from another reality And the dragon is just the beginning of the weirdness Certain people Alf has known since he was born turn out to have been leading far more interesting lives than they were letting on And for some reason they seem determined to make him do the same Can Alf avoid the adventure he really doesn t want to have prevent a lethal clash between realities and avoid detention for setting fire to the school

The Peach Tree Limb Jim Dobkins,2010-10-28 The author relives adventures he experienced in 1940 s and 1950 s California as the son of a conman who served six prison terms and was married five times Ranging from humor to serious we go from Midnight the nanny goat baby sitter to nearly driving the pickup off a cliff and getting the truck off the train tracks seconds before a freight train roared by and a most unusual birthday present

Moen, 2005-05-20 A handbook of astral projection with tools and practices to explore eternity by communicating with those who have died Where will you go when you die What if someone offered you a safe reliable method for exploring for the truth about the afterlife on your own The Afterlife Knowledge Guidebook is just such an opportunity Bruce Moen is a seasoned afterlife explorer He insists that despite our beliefs to the contrary discovering the truth about our afterlife through communication with the deceased is really quite easy Trained as an engineer Moen has created a systematic yet simple set of concepts techniques and exercises that people around the world have successfully used to gather their own firsthand evidence about the afterlife through contact and communication with the deceased Moen's system follows this basic premise If you can find a way to communicate with a person known to be deceased and gather information from this person that you can have no way of knowing except by this contact and if this information can be verified to be true accurate and real then you have gathered evidence that this person continues to exist beyond death If you continue gathering such evidence the weight of it will lead you to the truth You no longer need to take anyone else's word for the truth about our afterlife The Afterlife Knowledge Guidebook gives you the tools to discover the truth for yourself Imagine how your life will change when you know beyond all doubt that you are an eternal being a being who never dies
