**ABSTRACT:**

Financial Newspaper is a product which is required by all the stakeholders who deals in the financial market. Delay in the distribution can cause many problems to the readership figures. It is a product which loses its value as day goes on. It is a product without which a day cannot be started for this specific crowd.

Most of the financial daily newspapers are published from Monday to Friday. It covers most of the sector and industry news in 10 to 12 pages. It also covers few pages of very important news and tips regarding stock markets which are very much helpful to the investors and stock brokers.

A company needs to know the behaviour of their consumers to know what they think about the product or service which they are offering. The study has been done to understand the consumer behaviour on financial dailies. The comparison has been done between various financial newspapers. There was comparison done on the basis of the time of reading the newspaper by the readers and various features the readers wanted in a particular paper. The survey has been done on the basis of various parameters by comparing the features of various newspapers.
