Latina Lives in Milwaukee Theresa Delgadillo, 2015-11-15 Milwaukee's small but vibrant Mexican and Mexican American community of the 1920s grew over succeeding decades to incorporate Mexican, Mexican American, Puerto Rican, Cuban, Central American, and Caribbean migration to the city. Drawing on years of interviews and collaboration with

interviewees Theresa Delgadillo offers a set of narratives that explore the fascinating family community work and career experiences of Milwaukee's Latinas during this time of transformation. Through the stories of these women Delgadillo carefully provides access to a wide variety of Latina experiences: early Mexican settlers entering careers as secretaries and entrepreneurs; Salvadoran and Puerto Rican women who sought educational opportunity in the U.S. sometimes in flight from political conflicts; Mexican women becoming leather workers and drill press operators; and second generation Latinas entering the professional classes. These women show how members of diverse generations, ethnicities, and occupations embraced interethnic collaboration and coalition but also negotiated ethnic and racial discrimination, domestic violence, workplace hostilities, and family separations. A one of a kind collection, *Latina Lives in Milwaukee* sheds light on the journeys undertaken then and now by Latinas in the region and lays the foundation for the further study of the Latina experience in the Midwest. With contributions from Ramona Arsiniega, Mar a Monreal, Cameron Daisy, Cubas Elvira, Sandoval Denk, Rosemary Sandoval, Le Moine, Antonia Morales, Carmen Murguía, Gloria Sandoval, Rozman, Margarita Sandoval, Skare, Olga Valcourt, Schwartz, and Olivia Villarreal.

From out of the Flames Dave Hammer, 2012-10-26. The last thing I remember is the girls playing with my hair. It is curled on my forehead and they stroke it gently while I fall asleep. I wake up suddenly, my body wracked with hot, piercing pain. I'm in a car that's hurtling through the night and all around me is darkness. I'm lying across someone's knees. The pain intensifies and shoots hot, raking talons down my body as I hear hideous screaming. It takes a moment before I realize I'm the one screaming, then I drop back into the deep depths of blackness. Dave Hammer is only five years old when tragedy strikes in the middle of the night on a long weekend. Horribly burned in a fire, Dave struggles to survive. This is the autobiography of a family's love and one little boy's determination to live, setting the stage for an epic battle for life. Journey with Dave through the story of his life filled with inspiration and hope.

Our Fathers, Ourselves Peggy Drexler, 2011-05-10. There's no denying that a woman's relationship with her father is one of the most important in her life. And there's also no getting around how the quality of that relationship—good, bad, or otherwise—profoundly affects daughters in a multitude of ways. In *Our Fathers, Ourselves*, research psychologist, author, and scholar Dr. Peggy Drexler examines the ways in which the father-daughter bond impacts women and offers helpful advice for creating a better, stronger, more rewarding relationship. Through her extensive research and interviews with women, Dr. Drexler paints an intimate, timely portrait of the modern father-daughter relationship. Women today are increasingly looking to their dads for a less-than-traditional bond, but one that still stands the test of time and provides support, respect, and guidance for the lives they lead today. *Our Fathers, Ourselves* is essential reading for any woman who has ever wondered how she could forge a closer connection with and gain a deeper understanding of her father.
