Demonstrating Student Mastery with Digital Badges and Portfolios David Niguidula, 2019-01-14 In *Demonstrating Student Mastery with Digital Badges and Portfolios*, David Niguidula shows how students can meet standards and express their individuality through digital badges and portfolios. Building off an essential question: What do schools want their students to know and be able to do, he then shows how schools can implement a proficiency-based approach to student learning that has been successfully field-tested in districts across the United States. In manageable steps, readers are guided through the implementation process. Niguidula shows readers how to connect standards to badges, create portfolio-worthy tasks, develop common rubrics, and gain a common understanding of what work is considered good enough. Guide students in curating the elements of their portfolios. Promote authentic student reflection on their work. Replete with real-life examples, this book is essential reading for principals who want to take their schools to the next level and for teachers who want a refreshing and sensible approach to assessment.

The College Application Essay Sarah Myers McGinty, 2012-07-17 The 25th anniversary edition of this best-selling guide gives students simple strategies to maximize the opportunity to tell us about yourself. B+ Grades, A+ College Application Joie Jager-Hyman, 2013-07-23 This alternative college guide from a former Dartmouth assistant admissions director turned consultant gives non-straight-A students advice on the many options available to them and tips on how to identify, gain admittance to, and pay for the schools that will allow them to flourish. Less than perfect grades? No problem. Contrary to popular opinion, you don't need to have a 4.0 GPA or a perfect jump shot to get into a good college. This insider's guide reveals easy tweaks that will pay off big time in showing admissions officers that you, as a whole, not just your SAT scores, are a perfect fit for their incoming class. With stellar advice on getting into schools that will allow you to thrive, this handbook reveals how to find great colleges that are a good match for your strengths and will overlook less relevant weaknesses. Painlessly beef up your application. Tailor extracurriculars to showcase your uniqueness. Make sure your recommendation letters emphasize the right qualities. Write original essays that reveal traits beyond your transcript. Make an impression on
