As I struggle in my mind  
For the things I left behind  
Want to go back and relive  
My precious happy times  
But they are just an illusion now  
That can not be physically caught  
Just milestones flags in my long  
One-way journey through the time  
Make me realise; when I look back  
How far I have come to be right here  
The signs giving me hope for future  
The future unseen; hidden in the fog  
Uncertainty tries to push me back  
I cautiously put my foot forward  
Moving the short distance that I can see  
But keep looking back to gain strength  
From the happy times I had,  
my flags my signposts,  
my hope for unseen future

**Poetry, Politics, and the Body in Rimbaud** Robert St. Clair, 2018-08-30 Bodies abound in Rimbaud's poetry in a way that is nearly unprecedented in the nineteenth century poetic canon lazy creative rule breaking bodies queer bodies marginalized and impoverished bodies revolting and revolutionary historical bodies The question that Poetry Politics and the Body seeks to answer is What does this corporeal density mean for reading Rimbaud What kind of sense are we to make of this omnipresence of the body in the Rimbaudian corpus from first to last from the earliest poems in verse celebrating the sheer simple delight of running away from wherever one is and stretching one's legs out under a table to the ultimate flight away from poetry itself In response this book argues that the body appears often literally as a kind of gap breach or aperture through which Rimbaud's poems enter into contact with history and a larger body of other texts Simply put the body is privileged lyrical material for Rimbaud a figure for human beings in their exposed finite creatureliness and in their unpredictable agency and interconnectedness Its presence in the early work allows us not only to contemplate what a strange sensuous thing it is to be embodied to be both singular and part of a collective it also allows the poet to diagnose and the reader to perceive a set of seemingly intractable real socio economic political and symbolic problems Rimbaud's bodies are in other words utopian bodies sites where the historical and the lyrical the ideal and the material do not so much cancel each other out as become caught up in one another

□□□□□ Hamīdān Shuway'ir,2017-12 This lively volume collects poems by Hmedan al Shwe ir who lived in Najd in the Arabian Peninsula shortly before the hegemony of the Wahhabi movement in the early eighteenth century A master of satire known for his ribald humor self deprecation and invective verse hija Hmedan was acerbic in his criticisms of society and its morals voiced in in a poetic idiom that is widely referred to as Nabati here a mix of Najdi vernacular and archaic vocabulary and images dating back to the origins of Arabic poetry In Arabian Satire Hmedan is mostly concerned with worldly matters and addresses these in different guises as the patriarch at the helm of the family boat and its unruly crew as a picaresque anti hero who revels in taking potshots at the established order its hypocrisy and its moral

failings as a peasant who labors over his palm trees often to no avail and with no guarantee of success and as a poet recording in verse how he thinks things ought to be The poems in Arabian Satire reveal a plucky headstrong yet intensely socially committed figure representative of the traditional Najdi ethos who infuses his verse with proverbs maxims and words of wisdom expressed plainly and conversationally Hmedan is accordingly quoted by historians of the Gulf region and in anthologies of popular sayings This is the first full translation of this remarkable poet A bilingual Arabic English edition

**The Poetry of Ana Maria Fagundo** Ana María Fagundo, 2005 This anthology includes translations of a number of original poems from each of the ten collections of poetry published to date by Spanish poet Ana Maria Fagundo Its goal is to provide a representative sample of Fagundo's work for an English audience With the basic tenet of phenomenology as scaffold the introduction of this anthology elucidates Fagundo's poetic writing as a process whereby the abstract is transformed into a

concrete experience through the speaker's own self and body From Brotes Buds in 1965 until Trasterrado Marzo March Beyond in 1999 Fagundo's poetry is an ongoing dialogue with the poetic word Fagundo's poetic speaker looks into essences but only in order to reintegrate them into existence There is no Truth or Beauty or Good out there for which this poet strives but a truth that each poet articulates in his or her own way Hers is an aesthetic enterprise which implies the ethical obligation to affirm life Candelas Gala is Professor and Chair of the Department of Romance Languages at Wake Forest University *The Other Sylvia Plath* Tracy Brain, 2014-07-22 Despite being widely studied on both undergraduate and postgraduate courses the writing of Sylvia Plath has been relatively neglected in relation to the attention given to her life and what drove her to suicide Tracy Brain aims to remedy this by introducing completely new approaches to Plath's writing taking the studies away from the familiar concentration to reveal that Plath as a writer was concerned with a much wider range of important cultural and political topics Unlike most of the existing literary criticism it shifts the focus away from biographical readings and encompasses the full range of Plath's poetry prose journals and letters using a variety of critical methods
