Romance literature pamphlets ,1923 **Outline of Swahili Literature** Elena Bertoncini Zúbková,2023-09-20
Collection of texts in English translation illuminating the religions of the world for students **Romance literature pamphlets** ,1934 **Elizabeth Barrett and Robert Browning** Mary Sanders Pollock,2016-04-28 First published in 2003 this book examines the creative partnership of Elizabeth Barrett and Robert Browning and provides a critical analysis of the poems written by this famous couple during the 16 year period of their friendship courtship and marriage Even quite early in their relationship the Brownings shared a frame of reference similar themes narrative structures and details of phrasing resonate in their works and suggest dialogue rather than merely mutual influence Pollock traces parallels between the Brownings lives and works even before they met and then throughout their courtship and married life suggesting that their creative dialogue continued after Barrett Browning died in 1861 as her presence and themes continued to inform Browning s poetry for at least a decade afterward **Library Literature** H.W. book highlights the inherent postcoloniality of White Hexagonal literature in a context marked by institutionalized colour blindness and offers a reflection on responsible writing in and about postcolonial France The book identifies a set of formal features functions and aesthetic dispositions which reveal the ways in which White writers grapple with postcolonial subjects It focuses on seven case studies featuring texts by Marie Darrieussecq Virginie Despentes Annie Ernaux Nicolas Fargues Pierre Lemaitre douard Louis and Nicolas Mathieu Achille and Pana t argue that it is imperative to recast the enduring boundedness of race and empire as a matter of equal concern to White and non White writers **Pushkin on Literature**

Aleksandr Sergeevich Pushkin,1986 Pushkin on Literature approaches Pushkin s literary accomplishment from a unique perspective it focuses on Pushkin the critic and on his fascination with the literary world that surrounded him This is the only English language edition of the complete set of Pushkin s critical writing both on his own work and on the wide range of European literature Byron Shakespeare Voltaire Milton which he read and studied and Which so profoundly influenced his own writing These extracts from Pushkin s letters articles and working notes provide a complete chronological record of the artist s literary evolution and provide a fascinating glimpse into the poet s intellectual passions Swahili Muslim Publics and Postcolonial Experience Kai Kresse,2018-12-17 Swahili Muslim Publics and Postcolonial Experience is an exploration of the ideas and public discussions that have shaped and defined the experience of Kenyan coastal Muslims Focusing on Kenyan postcolonial history Kai Kresse isolates the ideas that coastal Muslims have used to separate themselves from their upcountry Christian countrymen Kresse looks back to key moments and key texts pamphlets newspapers lectures speeches radio discussions as a way to map out the postcolonial experience and how it is negotiated in the coastal Muslim community On one level this is a historical ethnography of how and why the content of public discussion matters so much to communities at particular points in time Kresse shows how intellectual practices can lead to a regional understanding of the world and society On another level this ethnography of the postcolonial experience also reveals dimensions of intellectual practice in religious communities and thus provides an alternative model that offers a non Western way to understand regional conceptual frameworks and intellectual practice Education pamphlets ,1887 Catalog of Copyright Entries. Management Ajay S. Kalamdhad, Jiwan Singh, Kondusamy Dhamodharan, 2018-06-22 This book presents some of the latest technologies in waste management and emphasizes the benefits that can be gained from the use of recycled products. Divided into four sections, it deals with phytoremediation, aquatic weed management, and the treatment of solid and water-based wastes such as those arising from agricultural, industrial, and medical activities. With its special emphasis on the utilization of recycled products, this volume will be of interest to students, academicians, policy makers, and others who have a practical and academic interest in dealing with the waste society generates.

The absurd in literature Neil Cornwell, 2013-07-19 Neil Cornwell's study, while endeavouring to present an historical survey of absurdist literature and its forbears, does not aspire to being an exhaustive history of absurdism. Rather, it pauses on certain historical moments, artistic movements, literary figures, and selected works before moving on to discuss four key writers: Daniil Kharms, Franz Kafka, Samuel Beckett, and Flann O'Brien. The absurd in literature will be of compelling interest to a considerable range of students of comparative European, including Russian and Central European, and English literatures, British Isles, and American, as well as those more concerned with theatre studies, the avant garde, and the history of ideas, including humour theory. It should also have a wide appeal to the enthusiastic general reader.
