Parenting in the Present Moment Carla Naumburg, 2014-10-14 This generation of parents is overwhelmed with parenting advice Carla Naumburg sets out to remind them that they have everything they need to raise healthy happy children Mindful parenting is about paying attention to what is going on with your children and yourself without judging it or freaking out about it or thinking everyone including yourself and your child should be doing something differently In Parenting in the Present Moment Naumburg shares what truly matters in parenting connecting with children in ways that are meaningful to them and you staying grounded amidst the craziness of parenting and staying present for whatever life throws your way With reassuring compassionate storytelling she weaves the most current theories about healthy relationships compassionate self care and mindfulness throughout vignettes of her own chaotic childhood and parental struggles She shows how mindfulness creates a solid foundation for any style of parenting regardless of your cultural

background socio economic status or family structure She also introduces the STAY model for tough times Stop whatever it is you re doing Take a Breath Attune to you thoughts and those of your child and Yield to what is happening so you can respond from a place of connection and compassion Parenting is an ongoing journey that constantly challenges every parent

Parenting in the Present Moment will help each family find its own way **How Pop Culture Shapes the Stages of a Woman's Life** Melissa Ames,Sarah Burcon,2016-03-15 Contemporary popular culture has created a slew of stereotypical roles for girls and women to willingly or not play throughout their lives The Princess the Nymphette the Diva the Single Girl the Bridezilla the Tiger Mother the M I L F the Cougar and more In this book Ames and Burcon investigate the role of cultural texts in gender socialization at specific pre scripted stages of a woman s life from girls to the golden girls and how that instruction compounds over time By studying various texts toys magazines blogs tweets television shows Hollywood films novels and self help books they argue that popular culture exists as a type of funhouse mirror constantly distorting the real world conditions that exist for women magnifying the gendered expectations they face Despite the many problematic conflicting messages women receive throughout their lives this book also showcases the ways such messages are resisted allowing women to move past the blurry reality they broadcast and toward hopefully gender equality *Zen & the Path of Mindful Parenting* Clea Danaan,2015-10-01 We all strive so hard to be perfect parents we do whatever it takes to assure our children s happiness and safety and that they will grow up to be their best selves Unfortunately our striving is making us crazy How can we raise happy healthy children while staying happy and healthy ourselves This book is not intended as another manual the last thing you need is another expert telling you the right way to do it Clea Danaan shows how by using the practices and techniques of mindfulness you can achieve a calmer and clearer approach to parenting which will help you to raise more balanced and healthy kids Sacred Motherhood Anni Daulter,Niki Dewart,2016-07-05 Written for mothers seeking to fulfill their soul s work while simultaneously raising future generations Sacred Motherhood offers women on the path of motherhood a guide back to themselves It will help you embrace the reality that this is your spiritual life every moment of every day whether you are at the grocery store changing diapers arguing with your partner snuggling with your baby or dyeing your teenager s hair pink Greet the moments when you fall down as awakening opportunities every bit as holy and powerful as the moments you can drop in and bliss out Spanning the sacred and the mundane Sacred Motherhood is both a guide and a journal enticing you to pause momentarily to reflect and write and then return to your mothering tasks armed with a fresh perspective renewed vision practical tips and creative ideas for enriching family life For fifty two weeks a year of sacred motherhood the chapters illuminate subjects that are likely to arise as the mothering journey unfolds and present thoughtful prompts and helpful reminders relating to you your soul and your child **Mojo Mom** Amy Tiemann,2009-04-07 Read Amy Tiemann s posts on the Penguin Blog MOJO MOM helps you answer the question Who Am I Now that I m A Mom What is Mommy Mojo It s the feeling you get when you re a parent at the top of your game juggling the

Evans,2021-09-14 Women are often told by their communities that being a mother will complete or define them But many

mothers find themselves depleted and spiritually stagnant amid the everyday demands of being a mom. They long to experience a rich inner life but feel there is rarely enough time, energy, or stillness to connect with God in a meaningful way. This book takes the concept of rewilding and applies it to motherhood. Just as an environmentalist seeks to rewild land by returning it to its natural state, Shannon Evans invites women to rewild motherhood by reclaiming its essence through an expansive feminine spirituality. Drawn from the contemplative Catholic tradition and Evans's own parenting experience, *Rewilding Motherhood* helps women deepen their connection to God through practices inherent to the life they're living now. Topics include work-life balance, identity, solitude, patience, household work, and mission for the common good. Throughout, Evans encourages women to see motherhood as an opportunity to discover a vibrant feminine spirituality and a deeper knowledge of God and self.

The Well-Crafted Mom Kathleen Ann Harper, 2018-06-05 The life coach and coauthor of *Signs of a Happy Baby* shares self-care strategies and crafting projects to help get new moms on the path to lives they love. When life coach Kathleen Ann Harper struggled with the demands of motherhood, she took control of her life through dedication, self-care, and finding a creative outlet for herself. Now she's a life coach dedicated to helping new mothers facing the same struggles she once did. In *The Well-Crafted Mom*, Harper blends personal anecdotes and inspirational craft projects with smart self-care solutions for moms. *The Well-Crafted Mom* links simple craft projects to life coaching tools to give moms creative reminders of what they've learned in each chapter, like how to grapple with mommy guilt, ways to tell the difference between having a mess and being a mess, how to know when expectations are stealing your happiness, and what you can do to reclaim joy.

Hand Wash Cold Karen Maezen Miller, 2010-09-24 It's easy to think that meaning, fulfillment, and bliss are out there somewhere outside of our daily routine. But in this playful yet profound reflection on awareness, the compelling voice of a contemporary woman reveals the happiness at the bottom of the laundry basket, the love in the kitchen sink, and the peace possible in one's own backyard. Follow Karen Maezen Miller through youthful ambition and self-absorption, beyond a broken marriage and into the steady calm of a so-called ordinary life. In her hands, household chores and caregiving tasks become opportunities for self-examination, lessons in relationship, and liberating moments of selflessness. With attention to the little things, even the unexpected, unpleasant, and unwanted things that count.

Choosing Single Motherhood Mikki Morrissette, 2008 The comprehensive guide for single women interested in proactively becoming a mother includes the essential tools needed to decide whether to take this step, information on how best to follow through, and insight about answering the child's questions and needs over time. *Choosing Single Motherhood*, written by a longtime journalist and Choice Mother—a woman who chooses to conceive or adopt without a life partner—will become the indispensable tool for women looking for both support and insight. Based on extensive, up-to-date research, advice from child experts and family therapists, as well as interviews with more than one hundred single women, this book explores common questions and concerns of women facing this decision, including: Can I afford to do this? Should I wait longer to see if life turns a new corner?
