Inspired Courage

Connie Phelan, 2022-06-07 Is there anything scarier than fear itself Anything more convincing than what we tell ourselves Life is full of opportunities for adventure and achievement but so many of them seem completely out of reach We fear change negative consequences and uncertainty We tell ourselves we aren't smart enough not ready not worthy But what if we're wrong What if those negative things we tell ourselves and the things we're so very scared of facing are just figments Empty

constructs fashioned from our own internal programming which begins taking hold the day we are born and grows more ingrained and insidious with every experience and influence to which we are exposed Our conscious and subconscious beliefs about ourselves and the world around us are often the only things that actually stand between where we are and where we want to go between who we are and who we could become With practical examples and simple language as well as a lot of thought provoking insight and humor Inspired Courage Breaking Through Your Barriers to Success will teach you how to recognize your fears and self limiting beliefs face them head on and break through to the other side Then you ll finally be free to embrace the world and yourself without getting in your own way

Toy Store Michael Davidson, 2021-03-25 When I asked the artist Douglas Jones if he could come up with an illustration depicting evil overcome by good within the context of the plot for the cover of my new book I knew it was a tall order Well what you see is what I got and you don t mess with the art of an artist without the probability of dire consequences so I decided to set with it for a while By the time I did call him I d grown to appreciate what he d done and being a writer I asked him if he could put some words to the conceptual figure he d drawn He stated unequivocally that there was nothing even remotely conceptual regarding his work and that he had clearly

fulfilled my request The illustration on the cover is a highly expressionistic representative portrait of the Ocean Front Mall and a representation of the primordial struggle between good and evil The Toy Store within the mall is the cancerous heart circumscribed and protected by the Demon Samael the Fallen Angel of Death who periodically attempts embodiment through the current property owner of the mall Jon Sadler is presented with a journal revealing the history of the mall and four generations of related owners The journal introduces Jon to an enigmatic character by the name of Preacher The Preacher offers a riddle in the form of an incomplete symbol the solution of which promises and end to the curse on the Ocean Front Mall

Daddy's Little Girl and Mommy's Little Boy Zester Hatfield, 2005-05-04 Mr Hatfield with all of his years of experience in marriage parenting family missions and in the Church pulls no punches in calling Christ s Bride to return to His Truth God s revealed Law Word regarding discipleship men and women of faith and grace in Manhood and Womanhood outrageously successful spousal relations parenting with training in romance sexual satisfaction love and marriage He is calling all believers especially men to confession and repentance and to receive understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century Not for the weak kneed weak minded or humanistically influenced this is for Christ s Bride as we prepare for and anticipate His return These applications of God s revealed Law Word and His uncommon common sense in the lives of America s postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children is exciting and challenging to the point of precedent setting magnitudes The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture Based on interviews with more than 1000

adults nationwide the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally physically spiritually intellectually or physically Fewer than one out of every twenty adults believes that America s youngsters are receiving above average preparation in all five of those areas of life Americans Agree Kids Are Not Being Prepared for Life The Barna Group October 26 2004 The couples who discover the answers to the moral morass of our postmodern Christian culture are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future Sadly the statistics of broken homes divorces adultery domestic violence drugs and promiscuity to mention only some of the ills of our culture are almost equally divided between Christian families and non Christian families This is unacceptable as a comparison and must change Consequently fathers and mothers of faith and grace are those who are and or who will experience God s promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God s gifts of love sex and romance in marriage Daddy s Little Girl and Mommy s Little Boy brings us clear evidence of just how America s Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters **Home Influence.
