The Leviticus Mission L. D. Knorr, 2011-09-26 A retired Louisiana cop and his wife hit the road in their RV but must pull over to investigate a serial killer in this mystery series debut Recently retired homicide detective Hank Moran and his wife Helen have just purchased a new motorhome and are ready to take a two month tour to see the country The discovery of a series of murders on their short trial run to Biloxi Mississippi puts their tour on hold while Hank investigates The prime suspect is a firebrand tent revival preacher who literally takes God s word for the Old Testament punishment of evildoers Their adventure takes them of all places into a gay men s RV resort for the explosive finale **Speak Through the Wind**

Allison K. Pittman, 2010-05-19 After a lifetime of mistakes can Cassandra ever be forgiven New York City 1841 When Reverend Joseph plucks a gravely wounded child from the mean streets of Manhattan s rough Five Points District he intends to give her a real home And though Cassandra flourishes in the preacher s house learning Bible verses at his knee and going to school as a young teenager she makes the first of many devastating decisions running away from the only haven she s ever known What follows is a waking nightmare life in a tiny room above a brothel the loss of a child a lover s rejection and finally life as a prostitute As circumstances lead her further and further from the reverend s secure home an ashamed Cassandra is certain that neither God nor Joseph will ever forgive her Feeling as though she has nothing left to lose and nowhere to go Cassandra leaves behind her hopes of redemption and heads west to California where she is transformed into the woman known as Sadie Unfortunately nothing in her life is pointing to a happy ending and Sadie is forced to grapple with the question Once you ve passed the point of no return can you ever go back **The Pocket magazine of classic and polite literature. [Continued as] The Pocket magazine** ,1828

Lord, All I Want Is to Be Saved Phyllis Murphy, 2004-04-22 This humorous yet thought provoking story is about a mother and Christian businesswoman who becomes entangled in a world of religionist She finds herself in a battered relationship and the decisions she must make are based upon her desire too live a righteous life and to be saved *Slaves to Racism* Benjamin G. Dennis, Anita K. Dennis, 2008 *Slaves to Racism* is a historical eyewitness account of the effect of racism in two countries one black one white showing how American racism traps blacks even in Africa The tales he tells illustrate the twists of irony and misplaced pride on all sides Prof Dennis chronicles the compulsive and repetitious nature of racism and its destructive effects on peoples and societies During the 1990s Liberia descended into civil war and anarchy African Liberian rebel groups roamed the countryside randomly killing as they vied for power Doe was killed by a segment of these rebel groups and warlord Charles Taylor eventually became president in 1997 In 2003 Taylor was deposed by rebel groups and is now on trial at The Hague for war crimes Despite Ellen Johnson Sirleaf s democratic election in 2005 Liberia remains in ruins as a classic failed state in Africa The obvious question is Why did the Negro experiment planted in Africa in 1822 fail so miserably Liberia was doomed from the start The sins of the master were inevitably passed on to the freed slaves who returned to Africa to make a fresh start To assert status the

Americo Liberians blindly followed the worst habits of the whites imposing themselves as a superior class on the African Liberians who had never left. With only a superficial knowledge of Western culture they imagined the white way without truly understanding it and made Liberia a caricature of Southern society. Prof Dennis compares the prejudice and discrimination between groups in Liberia with the patterns he has encountered between and among blacks and whites in the United States from blatant bigotry to the almost subliminal boundaries that still exist even among liberal communities that want more blacks. Publisher's description *The Living Church*, 1965-07 *As Real As It Gets* Monica McKayhan, 2005-01-01 Three strong-willed women: Reece a lawyer, Maxie a struggling journalist and Charlotte a real estate agent encounter the ups and downs of life as they search for true love and fulfillment. **Good to Me** LaTonya Mason, 2009-05-30 This debut novel from a fresh new voice is full of unforgettable and imperfect characters who hope against all hope for perfect lives. If being perfect is a prerequisite to getting into heaven then Charity Phillips has earned her seat in the Kingdom. This accomplished single mother is an exceptional therapist with her own hot new counseling firm Horizons Counseling Center and a minister at her church. While the pressures of these dual roles are challenging she single-handedly overcomes them all. But when a whirlwind of trouble suddenly blows into her life and threatens not only her business but also the custody of her son she loses it and finds herself in a very dark place. Add to this an undeniable attraction to the prison inmate who keeps sending her love letters complications with a schizophrenic patient and differences among three women in her office with sometimes explosive temperaments and chaos erupts in the life of a Christian woman who prides herself on being able to handle everything.

The Knowing of Thomas James Alan James, 2011-10-18 The Knowing of Thomas James. In May of 1906 a telegram was delivered to the Methodist Manse home of the Reverend Thomas Albert James in Albany on the Southern tip of Western Australia. Mr James has been accidentally drowned. Body not recovered. Particulars posted today. Deep regret. Robert Hunter. These few words were to alter forever the lives of the James family. They were to unleash such a scandal that Thomas's family fled the town in shame and his church excommunicated him. The true story behind these events ran in newspapers across the country throughout 1906. This truth was deliberately buried by Mrs James and the family a taboo not to be mentioned a mystery that remained hidden from successive generations for nearly a century. The Reverend Thomas James was no ordinary rural parson. He had risen to the pinnacle of leadership of the church in Western Australia but was a controversial character at loggerheads with the hierarchy of his church. In the aftermath of the events of 1906 the church records too were embargoed until the year 2000 such was the magnitude of his indiscretion. In 1906 Thomas James disappeared in circumstances that scandalized the church and shocked the family and society to the core. None of thirteen grandchildren ever knew their grandfather. All were denied the truth until this story was written. The Knowing of Thomas James has come as a revelation to his descendants. For one branch of the family knew who he had been but knew nothing of what became him and another branch of the family had absolutely no knowing of their grandfather at all. The impact and implications of this

story are being felt to this day The story was written as the result of more than two decades of research It was a story that needed to be told for the sake of the families It was told to honour a promise made to one of Thomas James s grandchildren A promise to my own father for Thomas Albert James is my great grandfather Essentially this is a family history and that was its design however it was my opinion that many family histories have limited appeal to any but those connected It was always my intention to take the factual bones of research and imbue them with the flesh and blood of feelings and emotions I have tried to enter the hearts and minds of the many characters touched by these tumultuous events in a story that has appeal to all Each of the characters in this drama is introduced as the family moves across the years toward the fateful point in time when the shocking events unfold For the family the facts are presented in detail for all to find I make no apology for the creative licence taken in interpreting these events and attributing motives to those involved in this story I have created my own explanation of the actual events portrayed in a way that I hope is attractive for readers who have no personal connection to this story I have liberally included actual material as and when I felt it appropriate to do so with the generous support of the newspapers of the day This is a fiction built on the truth of a very real story Were this story to be played out today it would surely make the headlines and be fed upon by our salacious modern media However these events were set in a time long passed in the strict moral world of Victorian Australia at the opening of the twentieth century My great grandmother and her children sought refuge from the humiliation of these events by moving to a farm on the beautiful Kalgan River twenty miles east of Albany My grandfather and then my father in his turn farmed this property Today my brother is the farmer and I too live on the property within sight of the original farmhouse and of the river I am by profession a teacher of History and have worked for more than twenty five years at the main High School in Albany I knew nothing of the story until 1988 when I encountered reference to Thomas James in the history of his sister s family Not **Murder in a Nunnery** Emmet Lavery,1971
