Taxocracy Scott Hodge,2024-04-09 Taxocracy What You Don t Know About Taxes and How They Rule Your Daily Life won t help you lower your tax bill but it will help you understand how politicians use taxes to influence our lives how taxes harm the economy and why we need a simpler tax system Did you ever wonder why the costs of health care housing and college tuition keep going up Or how your neighbor could afford that fancy electric car Or why there are so many hard seltzers on the market Your first guess might not be taxes but they play a big role We live in a world ruled by taxes a taxocracy History is full of misguided tax policies that led to see through buildings tax free attics three wheeled cars women in children s clothing and baked chips to go along with our hard seltzer Written by former Tax Foundation CEO Scott Hodge Taxocracy What You Don t Know About Taxes and How They Rule Your Daily Life uses amusing lessons from past tax policies gone wrong to explore how the US tax code caused serious consequences affecting how we get our health insurance the price of a college education what car we buy where we bank and in some cases even when we die Taxocracy outlines economic principles for designing a tax code that doesn t rule our daily lives a tax code that promotes economic growth free enterprise and takes the politics out of tax policy *The Hidden Web* William O. Scheeren,2012-02-02 Google is certainly a

useful Internet search tool for general topics but most of the information available on the Invisible Web can't be found through Google This book explains the value of the Invisible Web and how to access it Most students and researchers possess only rudimentary Internet searching skills The majority of school and public librarians are not aware of the breadth and depth of information available on the Hidden Web This is unfortunate as the ability to navigate the Hidden Web in schools and public libraries is essential to locating the most current and authoritative information The Hidden Web A Sourcebook serves as a valuable source of information about the Hidden Web much of which comprises websites containing statistical information or data from a wide variety of government agencies The concepts search techniques and specific websites presented will be helpful in information literacy instruction and the teaching of research skills **Short Sighted Solutions:**

Trade and Energy Policies for the US Auto Industry Robert E. Scott, 2017-07-06 This book originally published in 1994 explores the effects of federal policies on the US auto industry in the 1970s and 80s which were designed to save jobs and help the domestic industry become more competitive The author develops a new model based on modern oligopoly theory to estimate the effects of the voluntary Restraint Agreements which limited Japanese imports on the US auto market The results demonstrate that VRAs caused price increases which adversely affected the competitiveness of US producers On the eve of a new Trump administration and the likelihood of new restrictions on imports to boost US manufacturing this book has particular enduring relevance *How to Buy and Sell (Just About) Everything* Jeff Wuorio, 2010-06-15 How to Buy Sell Just
