Kill Me Slowly Kate Bridges, Nicole Johnson was five when she first dreamed of becoming a vet Now at 24 that dream was her reality Surrounded by tiny helpless creatures she dedicated her life to helping them with all her heart Life was simple fulfilling and she had every intention of spending the rest of her years doing what she loved caring for animals She couldn't have asked for a better life But fate had other plans It was just another long night at the clinic one where Nicole decided to stay late catching up on paperwork her only company the soft rustle of animals in the back rooms She never imagined that this one quiet evening would change everything What she didn't know was that the world outside her small clinic was about to collide with her own in the form of Christopher Harris the most feared man in the underworld Christopher Harris A name that sent chills down the spine of anyone who dared speak it At 28 he was next in line to take over the Mafia empire His face was handsome enough to charm any woman and his body was sculpted by years of violence and dominance But none of that mattered His reputation as The Devil kept even the most powerful men at bay A man of darkness ruthlessness and aggression Christopher was known for one thing destroying anything in his path Yet behind the mask of cruelty and the legend of his evil ways there was a secret buried deep within him something even he didn't know When their paths cross on that fateful night Christopher is drawn to Nicole in a way he can't explain For the first time something inside of him stirs an emotion he's never felt He doesn't know if it's love or something darker but he's certain of one thing he can't walk away from her For Nicole meeting him is like stepping into the eye of a storm His presence is dangerous overwhelming but somehow she can't pull herself away She is everything he's never had a glimpse of light in his otherwise bleak existence But his world is poison and she's the one person who might not survive it Will the Devil let himself be redeemed through her Or will his dark past drag her down with him into the hell he's created In a game where emotions can be deadly they will both face a choice surrender to love or watch it destroy everything they've ever known Prepare for a passionate intense and heart stopping journey where love meets darkness and redemption comes at a price

ON THE EAGLE'S WING Emmanuel Ngiruwonsanga, 2013-12-10 This autobiographical novel

completes three other books in which the same author talked about the survivors of the genocide in Rwanda. Advised by his psychologists, the author finally opens his Pandora's Box to release the memories that have paralyzed his life. He not only recounts his horrific and harrowing experiences during the genocide of the Tutsis but also the difficult period after it as well as his life prior to that genocide. This autobiographical novel is an open, moving account of the entire life of the author, truly a way of the cross. He gives his testimony on his many narrow and miraculous escapes from death, not only in his own country and at the hands of his own compatriots but also outside of Rwanda in the Congo, the former Zaire, where he spent three years under unbearable living conditions. The author miraculously left his beloved country in Central Africa for Canada in North America. In his own words, he describes the life he had passed through in Rwanda as hell on earth, while his life in his new country, Canada, is like paradise on earth.

Slow Decline Jack Lionheart, 2016-12-23 Lionheart began what is now a collection of poetry that defiantly and unapologetically examines man's dark side, from self-mutilation, anger, and hate to the myriad faces of death. Heartfelt and honest sentiments permit readers to peer into the author's heart and soul. Although some of the rhymes seem contradictory to the intense subject matter, Lionheart's macabre view of the universe is consistently rendered throughout with chilling images.

From a Droid to a Kill Simon R. Green, 2015 Droid might not sound like an inspiring family name until you learn the title represents a dynasty of supernatural James Bonds. If the unassuming people of the Droids alternate reality don't notice the myriad of terrifying threats to their existence lurking beyond their understanding, that's just because the Droids are doing their job. But Eddie Droid has done all he can to cut ties after becoming disillusioned by the family's growing corruption. He now needs to finish one more family job to get what he wants if he can indeed trust his former clan.

Rosaceae: 2 Katsuva Kissu, 2020-11-06 The tale continues. *Rosaceae* book two starts right where book one ended to continue the epic tale that is this book series. Book two is 10x better than the first one. From the ashes, he. Ace is fighting for his life; this time, he is in a fight to save himself. But does he have what it takes? Is the motivation to live still flowing within his bones? Find out: open the book and look into the pages. I sighed, and my eyes closed for a moment, my hands dropping beneath my waistline. Upon opening my eyes, I stared into a mirror standing in front of me and saw a reflection of a man who has been to hell and back, rejected by a secret society of ecstasy and refused a hand of peace in this life. A man weak and tired, staring right back at me, smiling with real pain swimming within his eyes, like something precious was broken inside, looking like a dying ray of sunshine that hadn't slept in days or weeks to be more accurate. Strangely, the man in the mirror looked like me as I was at the moment. A smile is a present you give to yourself when you rightfully delight in your pleasant past; happy memories are hugs and sounds of laughter of your loved ones; are warm kisses to your soul, so don't be afraid to remember your good old days.
