attacks on civil liberties and on the other to the embedding of the Neoliberal credo that business tax cuts create jobs free trade benefits all low interest rates generate investment entitlement programs are the cause of government deficits markets are always efficient recessions are caused by external shocks to an otherwise stable equilibrium system and similar empirically unverifiable propositions In describing the evolution of Neoliberal policies from Reagan through Clinton the Bushes Obama and Trump presidencies Rasmus shows how they have played a central enabling role in the financialization of the US capitalist economy in its ever growing income and wealth inequality gaps and in the increasing polarization of US society and polity   <u>Congressional Record</u> United States.
