Risk Management Cristina Florio, Monika Wieczorek-Kosmala, Philip Mark Linsley, Philip Shrives, 2022-01-03 This volume offers new convincing empirical evidence on topical risk and risk management related issues in diverse settings using an interdisciplinary approach The authors advance compelling arguments firmly anchored to well accepted theoretical frameworks while adopting either qualitative or quantitative research methodologies The book presents interviews and surveys with risk managers to gather insights on risk management and risk disclosure in practice Additionally the book collects and analyzes information contained in public reports to capture risk disclosure and perceptions on risk management impacts on companies internal organization It sheds light on financial and market values to understand the effect of risk management on actual and perceived firm s performance respectively Further it examines the impacts of risk and risk management on society and the economy The book improves awareness and advances knowledge on the complex and changeable risk and risk management fields of study It interweaves among topical up to date issues peculiar under investigated contexts and differentiated complementary viewpoints on the same themes Therefore the book is a must read for scholars and researchers as well as practitioners and policy makers interested in a better understanding of risk and risk management studies in different fields

AI-enabled Price Discrimination Qian Li, 2025-03-24 This book addresses the question of how to tackle AI enabled price discrimination AIPD which is commonly used in digital markets and can negatively impact competition and consumers It explores the economic rationale behind AIPD compares its assessment under EU and Chinese competition law and beyond evaluates current legal regimes on AIPD from a comparative law and economics perspective and provides policy recommendations to those jurisdictions for approaching AIPD as an infringement of competition law and beyond Since the protection of free competition and consumer welfare are objectives of competition law in both the EU and China two major jurisdictions there seems to be a legal basis for competition law intervention This book offers competition authorities guidance on how to tackle anticompetitive AIPD Given that AIPD takes place in competitive and monopolistic markets competition law alone is inadequate to fully address the potential concerns This book therefore also examines other possibilities Legislation on data protection consumer protection and business regulation can contribute to tackling AIPD in different phases 1 collection and processing of consumer data 2 prediction of the consumer s willingness to pay and 3 application of discriminatory pricing in digital markets As such this work also offers insights to help the relevant authorities i e those responsible for data protection consumer protection and business regulation tackle welfare reducing AIPD in digital markets This book will be of interest to academics practitioners policymakers enforcers and consumers It offers theoretical guidance for the relevant authorities such as competition agencies courts and regulators practitioners and consumers helping them understand the economic

rationale behind AIPD and provides suggestions to tackle anticompetitive and welfare reducing AIPD in digital markets from a comparative law and economics perspective EU Competition Law and Liberal Professions: an Uneasy Relationship? Ida E. Wendt, 2012-10-12 Drawing on the fundamental principles of EU competition law this book comprehensively reassesses the authority and democratic legitimacy of self and state regulation of liberal professions and ultimately challenges the use of a diffuse public interest concept in professional regulation **Educational Psychology** Nathaniel Lees Gage, David C. Berliner, 1998 Educational Psychology 6 e offers a unique set of teaching methods chapters that demonstrate how research applies in today's classrooms The Sixth Edition features lively classroom scenarios and offers learning tools designed to prompt critical thinking and comprehension *Reforming WTO Rules on State-Owned Enterprises* Yingying Wu, 2019-01-28 This book argues that the trade distorting effects of advantages associated with SOEs are more severe from an economic perspective and the behavior of SOEs after receiving advantages is of more concern compared to private owned enterprises POEs The premise is that the existence of SOEs per se is not the essential problem rather the underlying problems are i the disproportionate granting of advantages to SOEs compared to POEs and ii the behavior of SOEs once they receive advantages The book offers a systematic analysis focusing on the various advantages granted to SOEs and their subsequent behavior Its detailed analysis reveals the inadequacy of current WTO rules and is complemented by a number of concrete proposals *Climate Change and Catastrophe Management in a Changing China* Qihao He, China is the largest greenhouse gas emitter in the world and also suffers from devastating climate catastrophes Increasingly policymakers in China have come to realize that government alone cannot adequately prevent or defray climate related disaster risks This book contends that a better way to manage catastrophe risk in China is through private insurance rather than directly through the Chinese government In addition private insurance could function as a substitute for or complement to government regulation of catastrophe risks by causing policyholders to take greater precautions to reduce climate change risks **Cumulated Index to the Books** , 1999 **Air University Library Index to Military Periodicals** , 1969 The Cumulative Book Index , 1978 A world list of books in the English language **Selected Water Resources Abstracts** , 1981-04 **Daily Graphic** Elvis D.
