Proposal Information

Summary: The Family Partnership's *Four Directions Family Center* provides full-day therapeutic early childhood education and care for children 16 months to 12 years, targeting low-income families and children who have experienced adversity or trauma. Daily classroom instruction addresses prerequisite skills for kindergarten success, daily living skills, American Indian culture, and emphasizes cognitive, physical and psychological growth. We use evidence-based curricula and monitor children's progress through the year with valid, reliable tools. We provide children whose child development is delayed with on-site speech/language, occupational, or physical therapies; vision/hearing/dental screening and services; and mental health services available for children and families. *Four Directions* has earned impressive credentials: NAEYC-accredited, Parent Aware 4-Star (highest rating), and Hennepin County Strong Beginnings program. We provide family supports for parents including home visiting. Children, whose parents choose, receive language immersion in the Ojibwe and Dakota languages, helping to revitalize indigenous languages. They are also engaged in activities that reflect the Native American culture. Our classrooms have a lower child-to-staff ratio, parent involvement and a family worker. *Four Directions Family Center* incorporates pre-academic skills; physical, emotional and behavioral growth; and early literacy/numeracy. Our goal is to ensure that children receive the interventions and early education necessary to promote kindergarten readiness, reverse child development delays from poverty and adversity, remove barriers to success, and empower parents to nurture healthy child development.

Population: In the 2016-17 school year, *Four Directions* served 69 children and 65 parents or caregivers from 44 families (134 individuals). All live in poverty or on low income. 59% represent Native American heritage; 31% African-American; 10% Hispanic.

Geographic area: *Four Directions Family Center* serves the south Minneapolis Phillips neighborhood and Little Earth of United Tribes housing development (at 2438-18th Ave. S.) Overall, The Family Partnership assists people across the metro area, with the largest share from Minneapolis and suburbs with high poverty.
