**Autodesk Inventor Certified User Exam Study Guide (Inventor 2021 Edition)** Thom Tremblay, 2020-06-24 The Autodesk Inventor Certified User Exam Study Guide is designed for the Inventor user who is already familiar with Inventor. It provides a series of hands-on exercises and tutorials in the use of Inventor to help you prepare for the Autodesk Inventor Certified User Exam. The text covers all the exam objectives for the Inventor Certified User Exam. Each topic is covered in detail and then is followed up with tutorials and quizzes to reinforce the material covered. Autodesk Inventor Certified User Exam Study Guide is intended for the Inventor user who has about 150 hours of instruction and real-world experience with Autodesk Inventor software. This book will help guide you in your preparation for the Autodesk Inventor Certified User exam. By passing this exam, you are validating your Inventor skills and are well on your way to the next level of certification. Throughout the book, you will find an overview of the exam process, the user interface, and the main topics. The specific topics you need to be familiar with to pass the test are explained in greater detail throughout the book. This book also provides you with access to sample exam software which simulates the actual exam and a discount on taking the actual exam. This book will help you pass the Autodesk Inventor Certified User exam on the first try so you can avoid repeatedly taking the exam and obtain your certification sooner. Practice Exam Software Included with your purchase of this book is practice exam software. The practice exam software is meant to simulate the actual Autodesk Inventor Certified User exam. It can be downloaded and run from any computer and it will get you familiar with the official exam and check your skills prior to taking the official exam. The practice exam software requires you to use Autodesk Inventor to perform actions in order to formulate the answer to questions just like the actual exam.
