Essential English Skills for the Australian Curriculum Year 8 2nd Edition Anne-Marie Brownhill, Alison Rucco, Sonya Stoneman, Deborah Simpson, 2016-06-24 The second edition of the popular Essential English Skills for the Australian Curriculum series has been updated for today's students. Providing support for differentiated learning and featuring flexible ICT tasks that encourage language and literacy development, the series is ideal for both classroom use and homework. The multilevel approach to key language and literacy skills caters to the different learning abilities in the classroom and assists teachers in matching tasks to the skill of their students. Three levels of carefully graded questions: Test yourself, Extend yourself, and Challenge yourself, give every student an achievable starting point and the opportunity to enhance their skills. New text extracts and examples of classic and popular texts provide the very best support for today's students while covering the requirements of the Australian Curriculum and the cross-curricula priorities. Fully integrated tech challenges and online tasks encourage students to explore the impact of technology on their own language and literacy development. Each workbook includes a dedicated introduction to ICT in the classroom. Using Digital Technology for English skills, suggesting applications that can be used with the workbook. Solutions are available for teachers in downloadable PDF format.
