Zarabozo,2022-06-09 The goal of this work is to present the new Muslim with a basic guide that will help him understand and implement Islam As already noted the newly converted Muslim has set himself upon a new path that most likely is very different from the path that he was on before The convert understands enough about Islam to recognize that it is the truth but he usually does not have enough detailed information about Allah s religion to guide him in his everyday affairs The author sincerely hopes that the individual will have the best experience in Islam by understanding it properly from the beginning and by applying it correctly in his life Many are the converts to Islam who are bewildered and confused once they convert Unfortunately not every Muslim today is a good ambassador of Islam and not every Muslim today understands all of the basics of Islam This can lead to a great deal of confusion as some Muslim converts cannot even recognize the Islam that they see when compared to the Islam that they read about This work is a modest attempt at assisting the new Muslim to set out along the correct path based on the Quran and Sunnah      *Guide to Islam - A Beginner's Guide* James Coates,2015-10-13 A concise guide to Islam for new Muslims and those rediscovering their Islamic faith Black and White Print      [Embracing Islam](#) Abdullahi Abdulraheem,2024-06-29 Embracing Islam A Comprehensive Guide for New Muslims Unlock the transformative journey of faith with Embracing Islam A Comprehensive Guide for New Muslims This meticulously crafted book is your ultimate companion for navigating the profound and enriching path of Islam Whether you are a new convert a seeker of truth or someone looking to deepen your understanding of the faith this guide offers a treasure trove of wisdom practical advice and spiritual insights What Awaits You Inside 1 Understanding Your Journey Explore the profound significance of your decision to embrace Islam Reflect on the

science day after day and standing in front of modern science which stands fascinated by these miracles in the Book of Allah and the Sunnah of the Prophet Muhammad peace be upon him When I thought about writing this book I mainly targeted the new Muslims who testified in the oneness of God Almighty and declared their Islam and want to learn the teachings of the Islamic religion in order to follow them in order to obtain the satisfaction of God Almighty in this world and the hereafter I have taken into my account the vast difference between the Islamic environment and the open western society where there are many differences in many customs and traditions so I put in my book the basic concepts of the Islamic religion without going into depth in many details in order to present a full view of what this great religion is in general I will leave the opportunity to delve deeper into this for anyone who wants more The rulings of Islam were gradually revealed in consideration of the society in which it was descended in which obscenity was committed and people drank alcohol and worshiped idols and orders came gradually by order to compose the hearts first for the message and accept the religion as well as the matter with new Muslims so the entry of Islam is a great transition in Doctrine implementation of orders living for God and Self obedience training are not easy matters but it need support and patience God Almighty has taught us to seek patience and prayer in all our affairs and that our whole life be for God so we eat in order for our body to be strengthened and we can pray and perform acts of worship we marry in order to increase The offspring and having children who worship God we spend money in order to greed for the reward of spending and we remind God in all our daily conditions in order to obtain the reward of Mention of God But basically I target every new Muslim wants to know what are the teachings imposed by the religion of Islam and I answer many of the questions that revolve around the subject     **Welcome to Islam** Mustafa
