The Beauty of a Social Problem Walter Benn Michaels, 2015-07-13 Bertolt Brecht once worried that our sympathy for the victims of a social problem can make the problem's beauty and attraction invisible In *The Beauty of a Social Problem* Walter Benn Michaels explores the effort to overcome this difficulty through a study of several contemporary artist photographers whose work speaks to questions of political economy Although he discusses well known figures like Walker Evans and Jeff Wall Michaels's focus is on a group of younger artists including Viktoria Binschok Phil Chang Liz Deschenes and Arthur Ou All born after 1965 they have always lived in a world where on the one hand artistic ambition has been synonymous with the critique of autonomous form and intentional meaning while on the other the struggle between capital and labor has essentially been won by capital Contending that the aesthetic and political conditions are connected Michaels argues that these artists' new commitment to form and meaning is a way for them to depict the conditions that have taken US economic inequality from its lowest level in 1968 to its highest level today As Michaels demonstrates these works of art unimaginable without the postmodern critique of autonomy and intentionality end up departing and dissenting from that critique in continually interesting and innovative ways

The Documentary Imagination in Twentieth-Century French Literature Alison James, 2020-09-03 The Documentary Imagination in Twentieth Century French Literature identifies a documentary impulse in French literature that emerges at the end of the nineteenth century and culminates in a proliferation of factual writings in the twenty first. Focusing on the period bookended by these two moments it highlights the enduring concern with factual reference in texts that engage either with current events or the historical archive. Specifically it considers a set of ideas and practices centered on the conceptualization and use of documents. In doing so it contests the widespread narrative that twentieth century French literature abandons the realist enterprise and argues that writers instead renegotiate the realist legacy outside or at the margins of the fictional space of the novel. Analyzing works by authors including Gide, Breton, Aragon, Yourcenar, Duras and Modiano the book defines a specific documentary mode of literary representation that records assembles and investigates material traces of reality. The document is a textual, visual or material piece of evidence repurposed through its visual insertion, textual transcription or description within a literary work. It is a fact but it also becomes a figure standing for literature's confrontation with the real. The documentary imagination involves a fantasy of direct access to a reality that speaks for itself. At the same time it gives rise to concrete textual practices that open up new directions for literature by interrogating the construction and interpretation of facts.

The 7th Function of Language Laurent Binet, 2017-05-04 One of the funniest, most riotously inventive and enjoyable novels you'll read this year. Observer. The most outrageously entertaining novel of the year. A joy. Philip Hensher. Roland Barthes is knocked down in a Paris street by a laundry van. It's February 1980 and he has just come from lunch with Francois Mitterrand, a slippery politician locked in a battle for the Presidency. Barthes dies soon afterwards. History tells us it was an accident. But what if it were an assassination? What if Barthes was carrying a document of unbelievable global importance? A document explaining the seventh function of language, an idea so powerful it gives whoever masters it the ability to convince anyone in any situation to do anything. Police Captain Jacques Bayard and his reluctant accomplice Simon Herzog set off on a chase that takes them from the corridors of power and academia to backstreet saunas and midnight rendezvous. What they discover is a worldwide conspiracy involving the President, murderous Bulgarians and a secret international debating society. In the world of intellectuals and politicians everyone is a suspect. Who can you trust when the idea of truth itself is at stake.

Reading the Contemporary Author Aliso Gibbons, 2023 [The Victoria System](#) Eric Reinhardt, 2013-07-04 The Victoria System is Eric Reinhardt s acclaimed and controversial French bestseller **ONGLISTED FOR THE IMPAC DUBLIN**

LITERARY AWARD NOMINATED FOR THE PRIX GONCOURT THE PRIX RENAUDOT AND THE GRAND PRIX DU ROMAN DE L'ACADEMIE FRANCAISE David Kolski never sleeps with the same woman twice apart from his wife Then he meets Victoria Head of people at a multinational company by day she is a ruthless executive in a lightning paced high pressured whirlwind of power and productivity By night she likes good wine luxurious hotel rooms and abandoning herself to her sexual fantasies David is soon addicted Under crushing pressure at work to oversee the construction of a huge Paris tower block in near impossible circumstances he takes new vigour and inspiration from his hard headed capitalist lover He works harder faster and better and then escapes to indulge in the most intense sexual passion he s ever experienced But when Victoria offers to use her position to help him in his career a dark shadow falls over their affair Is she really capable of helping anyone other than herself or is she hiding something from him And who are the two men in the Audi he keeps seeing always a few cars behind him Complex compelling and ambitiously structured The Victoria System is a daringly sensual story of an obsession Part erotica part thriller part novel of ideas like a series of slightly angled mirrors held up to our globalised capitalist society the twists and turns of its narrative create a dazzling interplay of reflections and compel us to question the assumptions and forces of our modern world Dark twisted and devastating A big novel of amorous adventures in the era of the blackberry Eric Reinhardt is the new Alexandre Dumas Nouvel Observateur Erotic raw violent and vertiginous We often accuse French writers of navel gazing and ignoring the world around them but Eric Reinhardt is one of those who gives the lie to this cliché Emmanuel Carrère author of Limonov Part classic part tragedy part thriller Eric Reinhardt merges genres and invokes elusive echoes in this highly contemporary novel of a rare depth Libération The Victoria System is a fantastic and sensual modern thriller like nothing I've ever read Christian Louboutin A powerful novel about the philosophical and moral consequences of ultra liberalism and a subtle reflection on the urges of the powerful Marianne ric Reinhardt is one of the rising stars of French literature He is the author of five novels and also a freelance publisher of art books He lives and works in Paris The Victoria System was first published in French in 2011 and was nominated for the Prix Goncourt the Prix Renaudot and the Grand Prix du Roman de l'Académie Française It is ric Reinhardt's first novel to be translated into English Sam Taylor is the English language translator of HHhH by Laurent Binet and the author of the novels The Island at the End of the World The Amnesiac and The Republic of Trees He lives in France and the United States **The Martins** David Foerkinos, 2025-10-28 A wryly funny story about a struggling Parisian writer who finds the heroine of his next novel right outside his apartment Foerkinos is at his best in this playful novel Elle A charming clever book The Independent Is it true that every life is the stuff of novels Or are some people just too ordinary This is the question a struggling Parisian writer asks when he challenges himself to write about the first person he sees when he steps outside his apartment Secretly hoping to meet the beautiful woman who occasionally smokes on his street he instead sets eyes on octogenarian Madeleine She's happy to become the subject of his project but first she needs to put her shopping away Is it really true the writer wonders that

every life is the stuff of novels or is his story doomed to be hopelessly banal As he gets to know Madeleine and her family he ll be privy to their secrets lost loves marital problems and workplace worries And he ll soon realise he is not the impartial bystander he intended to be but a catalyst for major changes in the lives of his characters Told with Foenkinos s characteristic irony and self deprecating humour yet filled with warmth The Martins is a compelling tale of the family next door which raises questions about what it means to be ordinary and about the blurred lines between truth and fiction Light yet profound it s another deeply charming story by this beloved French author

Unreliable Narration and Trustworthiness Vera Nünning, 2015-02-24 Though the phenomenon known as unreliable narration or narrative unreliability has received a lot of attention during the last two decades narratological research has mainly focused on its manifestations in narrative fiction particularly in homodiegetic or first person narration Except for film forms and functions of unreliable narration in other genres media and disciplines have so far been relatively neglected The present volume redresses the balance by directing scholarly attention to disciplines and domains that narratology has so far largely ignored It aims at initiating an interdisciplinary approach to and debate on narrative unreliability exploring unreliable narration in a broad range of literary genres other media and non fictional text types contexts and disciplines beyond literary studies Crossing the boundaries between genres media and disciplines the volume acknowledges that the question of whether or not to believe or trust a narrator transcends the field of literature The issues of unreliability and untrustworthiness play a crucial role in many areas of human life as well as a wide spectrum of academic fields ranging from law to history and from psychology to the study of culture
