*The Walking Dead Deluxe #122* Robert Kirkman, 2025-10-01 ALL OUT WAR

CONTINUES Negan has a plan This deluxe presentation in STUNNING FULL COLOR also features another installment of Cutting Room Floor and creator commentary *Riding High* Ruth Zukerman, 2018-10-02 From the co founder of Flywheel and SoulCycle comes *Riding High* a story of perseverance and success Ruth Zukerman is an inspiration She somehow had a keen sense that indoor cycling was going to be a huge trend and she wasted no time turning it into a lucrative business I'm among the legions of Flywheel fans who make Ruth's class part of our regular routine Her energy enthusiasm and great playlist keeps us spinning and coming back for more KATIE COURIC Ruth Zukerman is the Queen of Spinning she put the Soul in SoulCycle and the Fly in Flywheel Recounting the pivotal moments that helped launch Zukerman as the breakout star of the boutique fitness world *Riding High* is a reminder that the greatest success stories often start in the unlikelyst of places Ruth Zukerman used her heartache at the death of her father the end of her marriage and the dissolution of her first business partnership with SoulCycle as the inspiration to reinvent herself At 51 she co founded a new business the highly successful Flywheel and built the life she'd always dreamed of And she did it all while navigating through single motherhood and a business world that is often unkind to women especially those who wear their hearts on their sleeves *Riding High* is a prescriptive warts and all journey through Ruth's evolution offering fresh unexpected business and life lessons to help readers recognize their own potential and channel their passion into success Part confidante part mentor Ruth pulls no punches and holds nothing back **Once Upon an American Dream** Andrew Lainsbury, 2000 Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe's love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it *Once Upon an American Dream* is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty's Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro

Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about
