But if Lady Pendleton could have foreseen how well her scheme would work and just which lords would soon be courting her charges in earnest she would never have let Antonia and Serena off the boat from America. COUNTERFEIT GOVERNESS Anne Calder was a headstrong young woman bent on earning her own living as novelist preferably in London. Before she could follow her first successful book with a second however Anne had to find an entree into London society. And what better method than to assume the guise of a governess and secure employment with Sir Basil Ives the noted statesman and diplomat. Chaperoning his ward allowed Anne to mingle with the upper crust while closely observing Sir Basil himself. Handsome arrogant icily formal and sought after by every London hostess Sir Basil would make a perfect character for her next novel. But Anne's amusing little masquerade soon became a more serious affair as she fell under the spell of Sir Basil who as everyone knew was not the marrying kind.
