Lady Of The Isle From The Sea Book 1:

The Nature of a Lady (The Secrets of the Isles Book #1) Roseanna M. White, 2021-05-04 1906 Lady Elizabeth Libby Sinclair with her love of microscopes and nature isn't favored in society. She flees to the beautiful Isles of Scilly for the summer and stumbles into the dangerous secrets left behind by her holiday cottage's former occupant, also named Elizabeth, who mysteriously vanished. Oliver Tremayne, gentleman and clergyman, is determined to discover what happened to his sister, and he's happy to accept the help of the girl now living in what should have been Beth's summer cottage, especially when he realizes it's the curious young lady he met briefly two years ago who shares his love of botany and biology. But the hunt for his sister involves far more than nature walks, and he can't quite believe all the secrets Beth had been keeping from him. As Libby and Oliver work together, they find ancient legends, pirate wrecks, betrayal, and the most mysterious phenomenon of all: love.

The Island of Sea Women Lisa See, 2020-03-10 THE NEW YORK TIMES BESTSELLER. A mesmerizing new historical novel. On The Oprah Magazine from Lisa See, the bestselling author of *The Tea Girl of Hummingbird Lane* about female friendship and devastating family secrets on a small Korean island. Mi Ja and Young sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village's all-female diving collective led by Young sook's mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility but also danger. Despite their love for each other, Mi Ja and Young sook find it impossible to ignore their differences. *The Island of Sea Women* takes place over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi Ja is the daughter of a Japanese collaborator; Young sook was born into a long line of haenyeo and will inherit her mother's position leading the divers in their village. Little do the two friends know that forces outside their control will push their friendship to the breaking point. This vivid, thoughtful, and empathetic novel. The New York Times Book Review illuminates a world turned upside down, one where the women are in charge and the men take care of the children. A wonderful ode to a truly singular group of women. Publishers Weekly: *The Island of Sea Women* is a beautiful story about the endurance of friendship when it's pushed to its limits, and you will love it. Cosmopolitan.

And so the legend of the Red Wraith begins. On the island of Bimshire, Naysin inspires a slave rebellion before abandoning it; near his former home, he marches European
