**IMPORTANT: RETAIN FOR FUTURE REFERENCE.  
READ CAREFULLY.**

## Instructions for safe use and maintenance

- The bottom position of the base is the safest. You should use the cot in the position as soon as your baby is old enough to sit up.
- Never leave anything in the cot/bed which could provide a foothold for your child to climb out or which could present a danger of suffocation or strangulation.
- All assembly fittings should be tightened properly and care should be taken to ensure that no screws are loose, a child could trap parts of the body or clothing (e.g. ribbons, drawstrings, neckties) this could pose a risk of strangulation.
- Regularly check that all fittings and components of the cot/bed are fully tightened and in working order. If any parts have become worn or damaged then do not use the cot/bed, seek advice from your retailer or call our Customer Care Helpline on: +44 (0)161 266 2000.
- Do not use replacement parts that are not recommended or supplied by Mamas & Papas. Non-approved parts may render the cot/bed unsafe.
- Do not place your cot/bed in the close proximity of an open fire and other sources of heat, such as radiators, electric or gas fires.
- For reasons of safety we only recommend the use of the Mamas & Papas size 400 mattress for this cot/bed.
- The mattress should be no more than 40mm shorter or narrower than the internal length or width of the cot/bed.
- The thickness of the mattress chosen should be such that the internal height (the distance between the surface of the mattress to the upper edge of the cot side) is a minimum of 500mm when the base is set in the lowest position and a minimum of 200mm when the cot base is set in the highest position.
- Your cot/bed may be cleaned with a damp cloth. Never use bleach or harsh abrasives.

Before attempting to assemble this product, read the instructions carefully.

This product requires at least two people to assemble it.
