Stories, Storytellers, and Storytelling Tom Vine, Sarah Richards, 2022-12-15 This book advances social scientific interest in a field long dominated by the humanities stories and storytelling Stories are a whole lot more than entertainment oral narratives novels films and immersive video games all form part of the sociocultural discourses

which we are enmeshed in and use to co construct our beliefs about the world around us Young children use them to learn about the world beyond their immediate sensory experience and even in an era of interactive electronic media the bedtime story remains a cherished part of most children s daily routine Storytelling is thus the first abstract formal learning method we encounter as human beings It is also probably transcultural perhaps even an immanent part of the human condition Narratives are at heart sequences of events and presuppose and reinforce particular cause and effect relationships Inevitably they also construct unconscious biases prejudices and discriminatory attitudes Storying a term we use in this book to encompass stories storytellers and storytelling is complex and this book seeks to make sense of it **Police Sergeant**

Police Sergeant's Manual Blye W. Gocke,George T. Payton,1972 **A Question of Intent** Helen Webster,2020-10-06 A Question Of Intent is the true story of a little girl's dismal life and the events that followed her tragic death The author had access to the transcripts of the Preliminary Inquiry and the subsequent Trial and Appeals and many related supporting documents This is the story of a four year old who was beaten to death in the name of discipline Susan's story is one of physical punishment that began when she was an infant of five months and ended with her death just days before her fifth birthday There was no doubt that she was physically abused and that the discipline was excessive but the question that became the core of the trial

was whether or not her parents had intended to kill her The legal proceedings that form the basis of this book are fascinating The reader will be enthralled by the courtroom arguments as the Crown Prosecutors who charged her mother and father with murder sought justice for Susan while the defence team sought to defend her parents from this terrible accusation Some readers may find the verdict and sentence unsatisfactory Others may conclude that the justice system operated as it should have Was this child s death intentional The author does not attempt to second guess the results of the Trial but simply presents the evidence and the legal arguments leaving the reader to decide

Chicago Fire and the Myth of Mrs. O'Leary's Cow Richard F. Bales,2015-09-01 The Great Chicago Fire of 1871 swallowed up more than three square miles in two days leaving thousands homeless and 300 dead Throughout history the fire has been attributed to Mrs O Leary an immigrant Irish milkmaid and her cow On one level the tale of Mrs O Leary s cow is merely the quintessential urban legend But the story also represents a means by which the upper classes of Chicago could blame the fire s chaos on a member of the working poor Although that fire destroyed the official county documents some land tract records were saved Using this and other primary source information Richard F Bales created a scale drawing that reconstructed the O Leary neighborhood Next he turned to the transcripts more than 1 100 handwritten pages from an investigation conducted by the Board of Police and Fire Commissioners which interviewed 50 people over the course of 12 days The board s final report published in the Chicago newspapers on December 12 1871 indicates that commissioners were unable to determine the cause of the fire And yet by analyzing the 50 witnesses testimonies the author concludes that the commissioners could have determined the cause of the fire had they desired to do so Being more concerned with saving their own reputation from post fire reports of incompetence drunkenness and bribery the commissioners failed to press forward for an answer The author has uncovered solid evidence as to what really caused the Great Chicago Fire **Seven Highly**
