

Wireless Network Connection

Wireless Network Setup Wizard

How do you want to set up your network?

This wizard provides two methods for creating a wireless network. Using a flash drive is easier and more secure.

☒ Use a USB flash drive (recommended)
Using this method, you create network settings once and save them to your flash drive. Then, you use the flash drive to add more devices and computers to your network.

☐ Set up a network manually
Using this method, you must set up each computer or device separately.
