Go Blended! Liz Arney, 2015-02-02 Craft a blended learning program tailor made for your students Go Blended is a practical implementation guide for educators interested in getting blended learning off the ground Author Liz Arney is a seasoned developer of blended learning programs at Aspire Public Schools and she also closely collaborates with district and charter leaders from across the country on this work Go Blended offers boots on the ground support for laying the foundation for a blended learning program in our schools and classrooms Throughout the book teachers with blended learning experience share helpful tips and lesson plans to help educators make purposeful choices in using technology to fulfill students needs without becoming an end in itself This useful guide also offers key documents and timelines to support a blended learning implementation and provides step by step practical advice for avoiding mistakes Readers will gain expert insight into both the broad and narrow of blended transition from sweeping concepts like program goals to nitty gritty details like teaching routines around technology use Technology is rapidly changing the landscape of education teacher effectiveness and student achievement are both tied to the ability to adapt to new technology and blended learning has become a hot topic in schools across the nation Go Blended helps school leaders and teachers take their first steps toward blended learning putting them in a better position to continuously adapt as the world changes You ll learn how to Investigate leadership and staff readiness to go blended Learn how to evaluate and purchase the right educational software Keep the program s goals in mind throughout the development process Teach lessons that set students up for success when using classroom technology Tailor the program to the students not the other way around Aspire s impressive track record of high performance along with a growing body of evidence from blended schools across the nation testifies to the reality that incorporating technology into the classroom can improve student outcomes But improved student outcomes will only occur when teachers and administrators intentionally tailor technology and curricula to meet their goals With Go Blended you can be confident that you re focused on the ultimate goal of blended learning increasing student achievement Please Don't Go

SaDonna Rogers, 2016-12-05 DeLaine is embarking on an intense and surprising journey through the junior high jungle of 8th grade Now an upperclassman of the newly minted and rebuilt Milam Junior High she along with her best friend Bailey Rains encounter many new wonderful and sometimes heartbreaking lessons in life DeLaine s new life seems to begin almost the minute she walks into the doors of her school Unbelievably she is no longer invisible or it seems a peasant in the school s social hierarchy DeLaine is finding that being part of the popular crowd is attainable to someone like her She can t believe her luck and how different her days as an 8th grader compare to her miserable days as a 6th grader With her unusual year being a 7th grader at Samson High School over she is free to explore in a completely different group of friends than what she has ever known Her new group of friends includes Jax Garrett as an upstanding member in their midst DeLaine s crush from 6th grade seems to confound her as much as Kevin Strong Freshman Kevin is no longer in the same school with DeLaine and

she feels his absence even with the attention she is receiving from cute cowboy Jax Her home life continues to be a roller coaster ride of insanity with occasional peeks of hope sprinkled throughout Her step mother Clarice seems to be happy with the caliber of friends DeLaine now has which makes life a bit more bearable She had hopes that since she would no longer be in the high school her step brother Geoffrey would calm down as much as his mother has towards DeLaine but he continues to run hot and cold no matter what she does in regards to his best friend Kevin Strong DeLaine's life takes an unexpected twist half way through her school year and she learns what true heartbreak is after receiving devastating news How will she survive the huge changes coming into her life
