*Beyond Hell's Gate* Kimberly Somo,2025-04-01 Damion Berkshire is a killer a man whose mind is steeped in wickedness at every turn His execution is considered a blessing by many including himself He firmly believes that in Hell he will be able to unleash his full potential as malevolence courses through his veins The demons whisper to him promise that he will be able to dominate others Faced with the choice of damnation or redemption just before his execution Damion true to his nature as a killer scoffs at the mere thought of redemption laughing it off with a chilling disregard Perhaps he should have pondered that decision a little more deeply Journey with Damion to Hell as he navigates the choices he makes choices that may lead him down paths he never anticipated

*Heaven and Beyond* Michael Phillips,2021-09-30 The author of *The Garden at the Edge of Beyond* continues his Christian fantasy saga as a tragedy on Earth sends a man on a journey through eternity The man started his Easter Sunday at sunrise as he did every year Amidst the beauty of God s creation there was no indication that the day s events were about to change his life forever literally When a terrorist attack takes his life those left behind on Earth mourn the loss of a good man taken too soon But in truth the man s life continues on with new horizons opening up before him As the man travels through the realms of heaven and earth he finds his notions of both to be turned upside down Phillips has offered a breathtaking and important addition to the world of traditional theological allegory joining Bunyan s *Pilgrim s Progress* and C S Lewis *Pilgrim s Regress* It is beautiful beyond describing and stunning in its impact William Paul Young author of *The Shack*

**Hell's Bottom, Colorado** Laura Pritchett,2011-12-10 Winner of the PEN USA Award for Fiction An admirable steely eyed collection of

stories and vignettes featuring a family of ranchers Publishers Weekly On Hell s Bottom Ranch a section of land below the Front Range there are women like Renny who prefer a little Hell swirled with their Heaven and men like Ben her husband who s gotten used to smoothing over Renny s excesses There is a daughter who maybe plays it too safe and a daughter plagued by only half wanting what life has to offer The ranch has been the site of births and deaths of both cattle and children as well as moments of amazing harmony and clear vision Set in the unpredictable West these stories remind us that we cannot escape the messiness and obsessions of ordinary life Patricia Henley author of Hummingbird House Displays the talent of a brilliant new writer The Rocky Mountain News With the rugged beauty of the Rocky Mountains as backdrop Pritchett s spare yet richly evocative stories portray the stark reality of life on a Colorado cattle ranch where three generations of one family tend the land and animals devoting and losing themselves to an existence few would understand or choose to follow Regardless of whether the songs she hears are sung by a meadowlark or a jailbird Pritchett excels at juxtaposing the sensuous with the severe the rapturous with the repugnant Booklist The stories jump back and forth in time but their message is clear this family s ties are as quixotic fierce and enduring as the land that binds them together School Library Journal
