natives and European rivals in the Americas affected the definitions of treason in practice and the divided loyalties of the American revolutionary war added further problems of defining loyalty and treachery Treason and Rebellion in the British Atlantic 1685 1800 offers a new study of treason and sedition in the period by placing them in a truly transatlantic perspective making it a valuable study for those interested in the legal and political of Britain s empire and 18th century revolutions **Society Today** Norman Goodman,Gary T.
