**Scale** Jeff Hoffman, David Finkel, 2014-08-14 Your concrete road map to rapidly grow your business and get your life back Have you ever wanted to grow your business but held back because of fear that it would take over your life As an owner it's all too common to feel you have to choose between your personal life and the success of your business But the surprising

truth is that the only way to truly scale and grow your company is to reduce its reliance on you. This means that done right, scaling ensures that you can grow your business without sacrificing your life. Jeff Hoffman, a serial entrepreneur and former CEO in the Priceline/Priceline Yardsale family of companies, and David Finkel, CEO of Maui Mastermind, a business coaching company with thousands of clients worldwide, offer a concrete road map for rapidly growing your business while also gaining more personal freedom. You'll not only learn the best strategies to generate growth, but you'll also get proven insider tips to sustain that growth through sound systems, empowered teams, and intelligent internal controls. Hoffman and Finkel will also show you how to overcome predictable obstacles in any pillar of your business, including sales, operations, and finance, with insight for building better lead generation systems, managing cash flow, and retaining talent. You'll learn how to escape the Self-Employment Trap and build a business, not a job. Systematize your business to reduce costs and increase capacity. Ensure your company survives the Hit by a Bus test. Uncover your company's top leverage points and execution strategies to implement what you discover. Fund your growth with the seven cash flow commandments. And much more. Scale offers a game plan to work less and get your business to produce more. Written by two world-class entrepreneurs who have started, scaled, and successfully exited from multiple businesses, which collectively have generated tens of billions of dollars in sales, it gives you their bottom-line best ideas to effectively grow your company. If you have ever felt stuck in your business, not knowing the best way forward, this book is your must-read guide.

Morey, 2009-11. This book is essential reading for all in Christian leadership today. Slander and gossip are condemned in Scripture more than any other sins. Dr. Morey has written the definitive biblical study of these two sins. This book is essential reading for all in Christian leadership today. Slanderers and gossip-mongers use the internet to rape the Bride of Christ and to drag the name of Jesus through the mud. May God use this

powerful book to rebuke these evil doers Bishop Colin P Akridge Dr Morey s handbook is full of practical and valuable counsel on recognizing and responding or not responding to slander for instance 21 signs of how to recognize a gossip monger Last but not least what makes this little book especially valuable are all the contemporary illustrations of gossip and slander along with the application of biblical principles to them These illustrations are drawn from Dr Morey s long ministry and vast experience as a pastor and as a counselor of pastors pastor parorum and their parishioners Dr George P Hutchinson Th M D Phil Dr Robert A Morey M A D Min Ph D D D is the Executive Director of Faith Defenders PO Box 240 Millerstown PA 17062 He has written over forty five books and was founder and President of CA Biblical University and Seminary

*Bf 109E/F vs Yak-1/7* Dmitriy Khazanov,Aleksander Medved,2015-06-20 Step into the cockpits of the Luftwaffe s Bf 109 and the Red Air Force s Yaks 1 7 two fighters which were involved in some of the largest fiercest aerial battles in history The Iconic Messerschmitt fighter and its combat hardened pilots inflicted a fearful beating on the Yaks in the beginning of the war Some of the highest scoring aces in history benefitted from the Bf 109 s technical superiority over the overweight and underpowered Yak 1 racking up incredible successes against their poorly trained and equipped adversaries And yet as the Soviets accumulated combat experience their tactics improved as did their mounts in the upgraded Yak 1B and gradually the Red Force eroded the Jagdwaffe s dominance of the skies in the eastern front though with the 109G they would never lose qualitative superiority Featuring first hand accounts from veteran pilots rare archival photographs and expert analysis this volume brings to life the vicious dogfights that took place between the Bf 109 and the Yak as they vied for mastery of the frozen skies of the Eastern Front

**Handbook of Thermoprocessing Technologies** Axel von Starck,Alfred Mühlbauer,Carl Kramer,2005 In Europe thermoprocessing is the third largest energy consumption sector following traffic and room heating Its structure is very much diversified and complex Therefore it is split into a large number of subdivisions each of them having a high importance for the industrial economy Accordingly we find the application know how for the design and the execution of respective equipment represented by a multitude of small but very specialized and significant companies and their experts As a result there was only little chance to find a comprehensive survey of the practical side of this technology so far This gap is now filled by the new Handbook of Thermoprocessing Technologies based on the contributions of many highly experienced outstanding engineers working in this field The main intention of this book is the presentation of practical thermal processing for the improvement of material and parts in industrial application Additionally a summary of respective thermal and material science fundamentals is given as well as basic fuel related and electrical engineering knowledge for this technology and finally design aspects components and safety requirements for the necessary heating installations are covered In conclusion a very wide and competent state of the art description is now available for all manufacturers and users of thermoprocessing equipment But also specialists from neighbouring fields students and all those who are generally interested in this important but widely unknown technology will find a quick survey

here as well as a very profound expertise
