Crazy busy is a phrase we use when the week seems to spin out of control like when the school project has to be done tomorrow but necessitates a trip to the craft store which you will do after the dental appointment and the PTA meeting on your way to pick up the dog from the vet. How are you going to fit in a meal that leaves you feeling satisfied without kicking you out of ketosis? Crazy Busy Keto makes sticking to a low carb ketogenic diet easier than ever by making it simple. Whether you're juggling work, school, children, pets, travel, or all of the above, you can follow keto with the simple tips and shortcuts outlined in this book. Kristie Sullivan has done the work for you by finding great low carb options wherever you are in as much or as little time as you have to eat. From grab and go convenience store and grocery store selections to hotel breakfasts to restaurant lunches and dinners, her quick and easy tips will streamline your keto life. There are breakfast options that are faster than a drive thru lunch, ideas that don't require refrigeration, and shopping tips that will save you time and money. Kristie has also included special tips for traveling, storing foods on the go, and slashing minutes off the clock each day along with easy ways to avoid food waste. Each chapter features recipes that can be made without access to a full kitchen and use common ingredients, no special ordering, anything online. Many of the recipes are traditional favorites that can easily be cooked in a microwave, such as lasagna, spinach artichoke dip, and even cheesecake, which can be made with as few as five ingredients and tastes amazing. In addition, Kristie gives ideas for lightning fast assembled meals that will hit the spot in a pinch. The book also includes shopping lists for stocking your pantry, fridge, and freezer so that you have what you need when you need it. Sample recipes include Good Morning Granola, Salad Bar Crustless Quiche, grab pre-prepped ingredients from your fridge or shop the grocery store, salad bar, Cold Pizza Bowl, Deconstructed Chicken Cordon Bleu, Speedy Creamed Spinach, Loaded Baked Yellow Squash, Cheese Cracker Snacks, Peanut Butter Fudge. Life isn't perfect, but your macros can be when you learn how to survive and thrive with Crazy Busy Keto. **Marie's Culinary World Journey** Marie

Cruickshank, 2023-08-16. Marie Cruickshank was born in Belfast, Ireland, in 1945. She studied domestic economics at the Belfast College of Domestic Science. As a teacher, she was able to travel extensively during the school holidays and spend a lot of time with French friends and family in France, where her love of gastronomy began. On her travels, she began to collect interesting recipes from all parts of Europe and to develop her own cooking ideas from them. It was on one of those trips that she met the love of her life, her husband Blair, who invited her to join him in the romantic Scottish Highlands, a place that offers cuisine in its own right. It's a place that has more to offer than beautiful landscapes, mythical stone circles, and haggis. As well as beautiful castles and rolling hills, there is also wild local salmon, excellent beef and lamb, and fields of strawberries and raspberries. Marie has lived with her husband in the cozy seaside town of Nairn, on the beautiful Moray Firth, for 37 years now. The small town in the Scottish Highlands has holidayed many celebrities, including Charlie Chaplin and Burt Lancaster.

and is famous for its championship golf courses After early retirement from teaching Marie Cruickshank started an online travel company arranging bespoke car tours of Scotland Ireland and France winning an award for Highland Business Woman of the Year in 2006 Due to her travel business she has traveled extensively to view and inspect hotels and restaurants in Scotland Ireland and France In doing so she found inspiration and added something to her book that she hopes you will enjoy When she is not cooking and trying out new recipes she can be found in her garden or volunteering at a local charity shop
