Jenkins,2024-07-11

Taking 44 Mecklenburgh Square as the focal point and springboard for a critical group study of D H Lawrence H D and Richard Aldington this book offers a fresh perspective on the relationship of modernist biofiction and poetry to the literature of the First World War A group that Perdita Schaffner described as another Bloomsbury set the Mecklenburgh Square writers like the Bloomsbury Group proper lived in squares and loved in triangles in Dorothy Parker s famous formulation Geographically adjacent these sets intersected socially and at points in their aesthetics both practiced innovative forms of what may broadly be defined as life writing But demarcating the Mecklenburgh Square writers from the Bloomsbury Set the former had its origins in the transatlantic avant garde Lawrence H D Aldington and John Cournos were all associated with Imagism the poetic movement which instantiated Anglo American modernism Considered as a pro tem collective these four poets all of whom were also novelists and translators contest the binaries that still obtain between modernist and First World War writing This group study of Lawrence H D Aldington and Cournos tracks the transition of Imagism from a pre war mode to a war poetics which includes but is not confined to the trench lyric and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing **Mark Gertler** Mark Gertler,1982

Mark Gertler: Biography of a Painter, 1891-1939 John Woodeson,1972 A Dilemma of English Modernism Michael J. K. Walsh,2007-02 Presents a first history of the artist and his work within the literary and sociocultural context of contemporary London Paris Milan and New York This work also emphasizes a re evaluative positioning of Nevinson s work within a modernist framework in literature and art in the first half of the twentieth century in northwest Europe Mark Gertler, 1891-1939 John Woodeson,Mark Gertler,1971 *Isaac Rosenberg* Jean Moorcroft Wilson,2009-02-09 Isaac Rosenberg was among the greatest poets of the First World War The British born son of impoverished Russian Jews Rosenberg fought as a private in the trenches of the Great Was and died on the Western Front in 1918 as the age of 27 In Isaac Rosenberg Wilson examines the influence of Rosenberg s class and heritage on his writings as well as the development of his poetic technique She traces his maturation from his childhood in Bristol and the Jewish East End of London to art school his travels to South

Africa and finally his harrowing service as a private in the British Army Rosenberg was also a gifted painter and this beautifully illustrated volume oncludes some hitherto inseen self portraits along with photogrpahs of Rosenberg and his family Wilson s biogrpahy brings together all known Rosenberg material with a mass of important new discoveries Isaac Rosenberg is a long overdue consideration of a remarkable war poet **Mark Gertler** Sarah MacDougall,2002 This is the first biography of Gertler to be published for thirty years It reappraises an extraordinary artist a figure who fascinated his contemporaries His is for instance the sinister sculptor of D H Lawrence s Women in Love the dashing Byronic hero of Aldous Huxley s Crome Yellow and the egotistical writer of Katherine Mansfield s story Je ne parle pas francais Gertler achieved recognition early and was admired and encouraged by Walter Sickert Vanessa Bell Roger Fry and Henry Moore He was championed by the flamboyant Lady Ottoline Morrell and his magnificent haunting pictures were keenly collected Yet despite his apparent ease in London society he himself felt his Jewishness and working class background to be insuperable barriers and his artistic ambition gradually alienated him even from the people among whom he d grown up He found no happiness and at the age of 47 he committed suicide A few weeks earlier he had had dinner with Virginia Woolf and had impressed her with his fanatical devotion to his art On hearing of his death she recorded in her diary that he had been perhaps too rigid too self centred too honest and too narrow to be content or happy But with his intellect and interest she asked why did the personal life become too painful That is one of the questions Sarah MacDougall explores in her life of this complex man whose powerful images like the Merry go round or the Creation of Eve have lost none of their disturbing eloquence **A History of the Modernist Novel** Gregory Castle,2015-06-25 A History of the Modernist Novel reassesses the modernist canon and produces a wealth of new comparative analyses that radically revise the novel s history It also considers the novel s global reach while suggesting that the epoch of modernism is not yet finished The Jew Assumptions of Identity Juliet Steyn,1999-11 A collection of essays some published previously discussing the fictitious concept of essential Jewishness as it was perceived in Britain by Jews and non Jews alike in the 19th 20th centuries Partial contents **British Art 1910-16**,1977 British Artists and the Modernist Landscape Ysanne Holt,2018-01-12 Title first published in 2003 In this detailed study of the landscapes and rural scenes of Britain and France made by artists like George Clausen Philip Wilson Steer Augustus John Laura Knight J D Fergusson and Spencer Gore Ysanne Holt investigates the imaginary geographies behind the pictures and reconsiders the relationship between national identity Englishness and the native landscape Combining close investigation of important works with a broader enquiry into the appeal of the Mediterranean for an age preoccupied with cultural degeneracy and bodily health Ysanne Holt draws fascinating conclusions about the impact of modernism on the British tradition of landscape painting **Gilbert Spencer** Sacha Llewellyn,Amanda Bradley Petitgas,2024-04-30 The first biography of Gilbert Spencer recounting the life and career of a long overlooked twentieth century British artist Gilbert Spencer 1892 1979 was a British painter muralist illustrator teacher and writer whose career spanned more than six decades

Recognised during his lifetime as one of the leading artists of his generation his reputation has long been overshadowed by his more famous brother Stanley Spencer's fascination with landscape and his ability to capture everyday life in rural England led to the creation of some of the most poignant artworks of the interwar period Drawing on a newly discovered archive of personal letters notebooks and diaries this illustrated biography tells Spencer's story for the first time Bringing together his major paintings drawings and illustrations many never before seen the book greatly expands our understanding of Spencer It reassesses his status within twentieth century British modernism and the revival of the landscape tradition as well as the important role he played in the reinvigoration of public mural painting Spencer is also reappraised as one of the most successful art teachers of his time and his extensive influence on the lives and careers of many twentieth century artists is explored in detail

The First 'Women in Love' D. H. Lawrence, 2002-05-02 *The First Women in Love* is one of Lawrence's greatest works and is the only full length work of fiction which he completed between *The Rainbow* and the extensively revised *Women in Love* It is a piece of fiction generated in the England and the Europe of the First World War Publishers were alarmed by the fate of his previous novel *The Rainbow* and *The First Women in Love* was rejected by every publisher who saw it As a result it is a novel whose very existence as an independent text has been ignored and which has not been published until now *The First Women in Love* shares much of its material with *Women in Love* but its central relationships are dissimilar and the ending radically different

The Jewish Quarterly, 1992 *The British Art Journal*, 2005 *A Bibliography of D. H. Lawrence* Warren Roberts, Paul Poplawski, 2001-04-19 This pre eminent bibliography for D H Lawrence was extensively revised updated and expanded by Paul Poplawski for publication in 2001 *British Art and the First World War, 1914-1924* James Fox, 2015-07-30 *The First World War* is usually believed to have had a catastrophic effect on British art killing artists and movements and creating a mood of belligerent philistinism around the nation In this book however James Fox paints a very different picture of artistic life in wartime Britain Drawing on a wide range of sources he examines the cultural activities of largely forgotten individuals and institutions as well as the press and the government in order to shed new light on art's unusual role in a nation at war He argues that the conflict's artistic consequences though initially disruptive were ultimately and enduringly productive He reveals how the war effort helped forge a much closer relationship between the British public and their art a relationship that informed the country's cultural agenda well into the 1920s

Russomania Rebecca Beasley, 2020-03-31 *Russomania* Russian Culture and the Creation of British Modernism provides a new account of modernist literature's emergence in Britain British writers played a central role in the dissemination of Russian literature and culture during the early twentieth century and their writing was transformed by the encounter This study restores the thick history of that moment by analyzing networks of dissemination and reception to recover the role of neglected as well as canonical figures and institutions as well as individuals The dominant account of British modernism privileges a Francophile genealogy but the turn of the century debate about the future of British writing

was a triangular debate a debate not only between French and English models but between French English and Russian models Francophile modernists associated Russian literature especially the Tolstoyan novel with an uncritical immersion in life at the expense of a mastery of style and while individual works might be admired Russian literature as a whole was represented as a dangerous model for British writing This supposed danger was closely bound up with the politics of the period and this book investigates how Russian culture was deployed in the close relationships between writers editors and politicians who made up the early twentieth century intellectual class the British intelligentsia Russomania argues that the most significant impact of Russian culture is not to be found in stylistic borrowings between canonical authors but in the shaping of the major intellectual questions of the period the relation between language and action writer and audience and the work of art and lived experience The resulting account brings an occluded genealogy of early modernism to the fore with a different arrangement of protagonists different critical values and stronger lines of connection to the realist experiments of the Victorian past and the anti formalism and revived romanticism of the 1930s and 1940s future *David Bomberg* William C. Lipke,1967
