Fountain Valley 1972 Michael A. Joseph, Esq., 2016-06-02 I have taught for two generations and was a reading coordinator Being an avid reader I can honestly say that this is the best literary work I have read A Bryan Amazon.com Five star review As the world's attention was focused on the massacre of Israeli athletes at the Munich Olympic Games on September 6 1972 the Fountain Valley Golf Course in the U S island of St Croix hours later was invaded by five masked gunmen Within minutes eight people including tourists and employees lay dead It raced around the globe as a black on white massacre even though in St Croix where we locals refer to whites as Continentals and to blacks as Yankees America's skin color drama does not exist Prior to the slayings a Vietnam vet tried to kill two cops cuffing his fellow combat veteran who'd stolen money for heroin to which they both became hooked while in Vietnam The shooter got away but the hunt for him was relentless He sought refuge in my brother's camp where three other young men were visiting With them he set off the Fountain Valley massacre called one of the most vicious crimes in the annals of Western civilization The four were clueless to the vet's scheme to make the killing appear to be racially motivated All five were captured tortured and sentenced to eight consecutive life terms In 1984 the vet convict escaped by hijacking an airliner into Cuba where he remains today In 1994 my brother Rafie was released based on his rehabilitation such as tutoring hundreds of prisoners to achieve their GEDs Because the killings were publicized as a black on white crime his freedom was bitterly protested and caused a Continental prosecutor to block Rafie's admission to the University of California at Santa Cruz doctorate program Besides he was blackballed from paraprofessional work So Rafie committed suicide While a conventional page turner could've easily been written from this harrowing story an erudite and poetic journey
