

Math 110 Proficiency Test Practice Exam Instructions

This is a practice exam for the Math 110 Proficiency Test. If your initial mathematics placement is MTH 110, this was due to an ACT score in mathematics that was not sufficiently high, or not enough high school mathematics credits. If you have had a great deal of mathematics in high school, such as an FST course (functions-statistics-trigonometry) and had a bad day on the ACT, you are strongly encouraged to take the MTH 110 proficiency test to see if you can test out of MTH 110.

Please pay attention to the following instructions:

- The practice exam is 60 minutes in length – please time yourself as you take the exam.
- You may use a calculator for the practice exam (graphing calculator preferred)
- A legitimate score of 34 or higher on this practice test suggests that you will be able to pass the MTH 110 Proficiency Test. Please visit the Testing Services webpage at www.gvsu.edu/testing for testing dates and information, or you can contact the Advising Resource Center at (516) 331-3588.
