GCIC and NCIC maintain files for use by criminal justice and other authorized agencies. These files are created and updated by CJIS network terminal agencies.

With the amendment to O.C.G.A. 35-3-36 (e): All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrest warrants and related identifying data **for all felonies and for the misdemeanors and violations designated in subparagraph (a)(1)(A) of Code Section 35-3-33** immediately upon determination of the fact that the warrant cannot be served for the reasons stated. If any such warrant is subsequently served or withdrawn, the law enforcement agency concerned must immediately notify the center of the service or withdrawal. In addition, the agency concerned must annually, no later than January 31 of each year, and at other times if requested by the center confirm to the center all such arrest warrants of this type which continue to be outstanding.

Refer to the NCIC manual for more information on NCIC Warrant Entries

Procedures are set forth in the GCIC and NCIC Operating Manuals.

6.15 EXTRADITION

Extradition limits indicate the distance the originating agency will travel to return a wanted person arrested by another agency.

The entering agency should determine whether the Prosecutor will initiate extradition proceedings if the subject is arrested in another state, prior to entering a wanted person record in NCIC.

If a wanted person will be extradited from *some*, but not all states, the entering agency *must* enter the geographic limitations of the extradition in the Miscellaneous field along with the appropriate extradition code (EXL).
(example: will not extradite from west of the Mississippi).

In instances where an agency is absolutely certain that the wanted person will not be extradited, the individual's record may be entered in NCIC with the appropriate extradition code.

When a Georgia agency enters a record and another state refuses to permit the extradition, modify the EXL field and miscellaneous field of your record to indicate the state *will not honor extradition*.

A **Detainer Warrant** is an official notice from one Law Enforcement agency to another requesting that an individual wanted by the first agency, but subject to the
