 especially Little Boy Blue and Wynken Blynken and Nod During his journalistic career however his column Sharps and Flats
 in the Chicago Daily News illuminated the shenanigans of local and national politics captured the excitement of baseball and
 praised the cultural scene of Chicago and the West over that of the East Coast and Europe Field used whimsy satire and at
 times unadorned admiration to depict and encapsulate the energy of a young nation reinventing itself and its political
 ambitions in the closing decades of the nineteenth century Foremost Field was a political observer During his lifetime politics
 saw more public awareness and involvement than at any other time in American history and Field s great popularity derived

mainly from his near ceaseless commentary arch outlandish comic serious on that arena of affairs Field also devoted many columns to entertainment and diversions discussing the baseball idiocy that stormed Chicago and championing and criticizing authors and actors
