

## COLOR PALETTE

Color is an integral part of brand identity. Consistent use of the color palette will not only reinforce the robustness of the brand, but color also serves a psychological purpose by communicating a certain feeling to your audience.

The blue, orange, and yellow color palette is reminiscent of 1950's color trends, but more than that, the colors represent the values of Grace & Grii. *Surgeon* evokes energy, health, confidence, and good balance. While *surge* is energetic, friendly and active.
