Grammar

Jolly Grammar is a six-level program that gives young students the skills they need to be confident readers and enthusiastic writers. It builds on the teaching in Jolly Phonics and has the same multisensory, active, and fun approach. The systematic and cumulative syllabus enables students to spell and punctuate more accurately, use a wider vocabulary, and have a clearer understanding of how language works.

Each Handbook in the series

- Has extensive reproducible material, including a full set of lesson sheets for the academic year.
- Provides step-by-step lesson plans and a wealth of practical advice.
- Introduces complex grammatical concepts in an engaging and child-friendly way.
- Systematically reinforces the learning so that no one is left behind.
- Teaches new spelling patterns, supports a greater understanding of sentence structure, expands vocabulary and comprehension, and cultivates dictionary and thesaurus skills.

The material in the Jolly Grammar Handbooks for Levels 1 to 3 is recommended by Cambridge Assessment International Education to support the Cambridge Primary English curriculum framework.
