

Level	Mark	Descriptor
	0	Completely inaccurate response
1	1 - 3	Displays isolated or imprecise knowledge and understanding of key terms, concepts, theories and models. Uses generic or irrelevant information or examples. Descriptive approach with no link between causes and consequences.
2	4 - 6	Displays elements of knowledge and understanding of economic principles, concepts and theories. Applies economic ideas and relates them to economic problems in context, although does not focus on the broad elements of the question. A narrow response; chains of reasoning may be developed but the answer may lack balance.
4	7 - 9	Demonstrates accurate knowledge and understanding of the concepts, theories and models. Ability to link knowledge and understanding in context using relevant and focused examples which are fully integrated. Economic ideas are applied appropriately to the broad elements of the question.

Evaluation 4

Possible points for inclusion

- Ⓐ Comparative advantage theory suggests we should specialise in producing what we are best at producing in order to boost productive efficiency – this implies that balanced growth is undesirable
- Ⓑ Not really possible to compete with the likes of Germany or Japan in terms of high tech manufactured items, or China in terms of low-cost high-volume manufactured goods
- Ⓒ UK does not have the infrastructure to have balanced growth – it would take too long to achieve
- Ⓓ UK focus should be on services
- Ⓔ Balanced growth requires large amounts of government intervention, which can be costly and misguided – could “back the wrong horse”

Level	Mark	Descriptor
	0	No evaluative comments
1	1-2	Identification of generic evaluative comments without supporting evidence or reference to context. No evidence of a logical chain of reasoning.
2	3-4	Evaluative comments supported by chains of reasoning and appropriate reference to context. Evaluation is balanced and considers the broad elements of the question.

(e) Discuss the policies the UK Government could adopt to achieve a stronger growth rate in the UK's manufacturing sector.

[15 marks]

Knowledge 3, Application 3, Analysis 3

Possible points for inclusion

- Ⓐ Definition of growth rate
- Ⓑ Definition of supply-side policies
- Ⓒ Outlines of at least 2 policies
- Ⓓ Possible policy: provide subsidies to manufacturers, to lower production costs and make manufactures more price competitive, therefore boosting demand for UK manufactures and providing more profit to manufacturers which can then be used for further investment

May 2013 Edexcel Econ Mark Scheme

David Horner, Steve Stoddard

May 2013 Edexcel Econ Mark Scheme:

Understanding Assessment David Lambert, David Lines, 2013-04-15 This is the first title in this new series which is aimed principally at secondary PGCE and BAEd students and school and HEI based tutors Each book provides a digest of the central issues around a particular topic or issues grounded in or supported by examples of good practice with suggestions for further reading study and investigation The books are not intended as how to books but rather as books which will help students and teachers to explore and understand critical theoretical issues in ways that are challenging that invite critical reappraisals of taken for granted practices and perceptions and that provide appropriate links between theory and practice Issues related to equal opportunities and special needs are included in each separate volume There are boxes of questions think abouts further reading and bulleted summary lists for the reader This book is written specifically for teachers in training which will clarify the big picture of monitoring and assessment and makes the crucial distinctions in this large and still taken for granted field The authors have written widely on assessment matters and have also worked in various capacities for the QCA and its former manifestations They are also engaged in initial teacher education and so know the level and market extremely well Pearson Edexcel A-Level Economics A Exam Style Practice Papers Jacob

Phillips, 2020-07-12 Enhance your exam skills by testing your understanding of Economics with realistic exam style questions closely matched to the Pearson Edexcel Economics A course These are perfect practice papers to help you achieve the grade you want in your Economics A Level exams containing content from Theme 1 Help students understand the difficult topics in theme 1 and theme 3 by testing their knowledge and understanding with long answer essay questions Clear and detailed mark schemes help students to self assess peer mark their answers with an accurate representation of the mark they are likely to achieve Realistic exam style questions allow students to use these practice papers under timed conditions improving their time management skills Helps you understand and explain key economic concepts effectively with clear knowledge marks incorporated in the mark scheme **Edexcel AS Economics Student Unit Guide: Unit 1 Competitive Markets - How They Work and Why They Fail** Mark Gavin, 2011-12-09
