Experience growing up in a loving and boisterous Italian family from Brooklyn. Can you imagine having the vision to see a car in a block of wood, a church steeple in a burned out Roman candle or an entire wall to wall library from discarded window shutters. The only person I ever met that could was my Dad. I want to publicly thank both sets of my grandparents for coming to America on what was nothing less than blind faith exactly when they did and enduring the hardships that I can only imagine or else I wouldn't be here right now. However, My Mom is the real reason I'm here. **For the Love of Mom** Maria Bailey, 2013-04-02 From teaching us to tie our shoes to parallel park from outfitting us for our first dance or our first day in the dorm room, our moms have been our chief counselors, cheerleaders, critics, chauffeurs, and chefs. *For the Love of Mom* pays homage to the special women who rocked us, raised us, championed us, challenged us, and at times exasperated us. Whether a woman becomes a mom by giving birth or through the blessings of adoption or step parenting, she will be moved, inspired, and entertained by these true stories that share both the monumental milestones and everyday moments of motherhood. Some stories are humorous, some heartfelt, others will help moms through the trying times, yet all underscore the devotion and dedication we admire most about mothers. While the experience of motherhood is different for every woman, one thing is universal: it's almost impossible to fathom the myriad of joys and triumphs encountered on the journey. *For the Love of Mom* celebrates moms and the uniquely important roles they play in our lives. **For the Love of My Son** Margaret Davis, 2011-09-15 This is the story of an ordinary woman whose grief and love for her only son compelled her to do something extraordinary. When Margaret Davis's beloved son Steven was murdered by his own wife, a Philippino former prostitute, she travelled across continents to track down her son's killers and bring them to justice and to rescue her grandchildren. Based on Margaret's own diaries, notes, and emails, this tells not only the awful but utterly compelling story of her perilous journey but also of how she has dealt with her crippling grief and how she has striven to save and protect two small children caught up in the violent crossfire of their parents' failing marriage. It is a tale of two cultures that clashed with terrible results. And it is a tale of how one mother, faced with her worst nightmare, has fought for justice for her son and some kind of healing for herself and the others left behind after his appalling death. *For the Love of Money* Sam Polk, 2017-07-11 A former hedge fund trader presents a memoir about coming of age on Wall Street, his obsessive pursuit of money, his disillusionment, and the radical new way he has come to define success. **For the Love of a Dog** Amanda Brookfield, 2018-11-01 After the death of her mother and the end of a post-divorce relationship, leave her heartbroken novelist Amanda Brookfield finds her once secure world imploding. Arming herself with an arsenal of equipment, Amanda learns that there are no short cuts to training and caring for a dog. Through battling daily challenges and constantly regrouping, Amanda realises she is starting to come to terms with her bereavement and the prospect of facing the rest of her life alone. *For the Love of a Dog* tells the bigger, more poignant story about the labour of emotional recovery after the trauma of loss. Mabel shines like a light throughout the unwitting architect of rebuilding self-belief. Mabel's own journey is equally captivating as she blossoms into a mischievous, endearing head-turner of a companion as affectionate as she is glorious.

A feat made much more difficult when a gorgeous, tall and leggy blonde trots into his life. Mendra is the last of her kind, a Pegasus with the ability to shift into human form or equine form. Her mother told her wild tales about lands with centaurs, satyrs, Gods and heroes, but she never believed them. Lysander convinces Mendra to help him, but as they search for the lost item, he isn't so certain he wants to return home.
