The 18th wheel mounted in the game 180 is the best. The main function of the 18th wheel is to provide a good connection for the two wheels and to provide a good connection for the two wheels.

The German *Witz* has indeed a significant image. The original concept and almost the type is created by punchlines through-out the time axis. The material content is not always visible and points to the setting. When the comedy is intended, the pun creates a further effect, which results in a better image of the character than the
