

Creative Problem Solving

- Encourages HOSA members to analyze the problem solving process and to work as a team to apply their problem solving skills in creating a solution to a hypothetical health or HOSA related problem
- Two rounds of competition:
- Round One will consist of a written test to evaluate the team's understanding of problem solving processes and theories.
- The top scoring teams will advance to Round Two and will be given a potential problem related to HOSA, a health issue or the health community
- Teams will have 30 minutes to analyze the problem
- Selected resource materials related to the problem will be provided
- At the end of the preparation time, teams will have eight (8) minutes to present their solution to a panel of judges
