Policies on Employee Separation in PSUs in India DR. M. K. RAVI, 2021-10-03 This book addresses human resource management in PSUs. The aim was to explore the Human Resource Policies of the employee separation of employees in PSUs in India. The book consists of a compilation of six chapters and an extended summary. The study in the book is based on a combination of multiple comparative and single case studies of PSUs in India. The core studies were conducted by the author at 29 PSUs in 40 Cities of 18 States. The results indicate central challenges regarding HR Policies on employee separation by Termination, Suspension, Dismissal, Retirement, Voluntary Retirement Scheme, Layoff, Resignations, Non Promotion, Physical Disability, besides other policies. The increased responsibility and pressured work environment for PSU's employees, workers. This study was aimed at identifying certain variables related to HR policies on employee separation in PSUs in India. The study determines the effect of HR policies on the satisfaction level of employees as well as legal compliances with the impact of gender, experience, age wise difference, type of separation. The population of the study was HR Directors, General Managers, HR Managers and employees working in PSUs in India. There were 14100 male and female PSU employees who responded to the author. The questionnaire instrument was used for data collection from various PSUs and the HR policies assessment was done. The author used it after getting the formal permissions from the PSUs. The study addressed the following specific objectives: the first was to survey HR Policies of employees of PSUs; the second was to study and determine the different types of HR Policies related to employee separation in PSUs in India; and the third was to survey the behavior of employees towards Voluntary, Non voluntary Separation. The study specifically discussed the hypothesis of study mainly classified into seven hypothesis such as: 1. HR Policies Related: There was no significant difference of perception about HR Policies between PSU regular and separated employee. 2. HR Policies and Discrimination Harassment related: There was no significant difference of perception between regular and separated employees so far as HR Policies of PSU and Discrimination Harassment at PSU. 3. Employee Separation related: There was no significant difference between regular and separated employees about HR Policies and employee separation at PSU. The author had used a comprehensive and stratified questionnaire distributed to about 15000 persons consisting of workers, supervisors, officials and managers of PSUs out of which only 14275 were received back duly filled; the remaining didn't respond in spite of repeated visits. The 175 questionnaires were rejected due to incomplete and wrong answers by respondents. There were 14100 valid questionnaires that were found valid for the purpose of the study. There were total three questionnaires which were: 1. ESS1: What employees Say For regular and separated employees of PSUs; 2. ESS2: What PSUs Say For Director, Managers of HR, Legal Dept of PSU; 3. ESS3: What Govt Dept Says For Govt Dept of Public Enterprise. The statistical tools used for analysis include Frequency, Percentages, Mean, Standard Deviation, S, D, T Test and Chi Square Test. The author is sure that the study was a fact finding and pioneer and motivates and stimulates further researches in this field. I wrote this book especially for Director, Human Resource, Human Resource Managers which will certainly help them to understand the various legal aspects of HR Policies related to Employee

Strategic Human Resource Management
 Ananda Das Gupta, 2020-03-25 The concept of strategic human resource management has developed widely in the last couple of years especially because of the impact of human resources on the competitiveness of organizations The development of human resource strategies involves taking into account their multiple mutual dependencies and the fact that they must be vertically integrated with the business strategy These strategies define the intentions and plans related to the overall organizational considerations such as organizational competitiveness effectiveness or image and to more specific aspects of human resources management such as resourcing motivating valuating learning and development reward and employee relations Strategic management of human resources provides a large perspective on the way critical issues or success factors related to people can be addressed and how different concepts of strategic decisions are made with long term impacts on the behavior and success of the organization The fundamental objective of human resource strategic management is to generate strategic capabilities by ensuring that the organization has the high qualified committed and well motivated employees it needs to achieve and sustain the competitive advantage The emergence of strategic human resource management SHRM is influenced by global competition and the corresponding search for sources of a sustainable competitive advantage SHRM has achieved its prominence because it provides a means by which business firms can enhance the competitiveness and promote managerial efficiency It facilitates the development of human capital that meets the requirements of a competitive business strategy so that organizational goals and the mission of the organization will be achieved The HRM system is defined as a set of distinct

but interrelated activities functions and processes that are directed at attracting developing and maintaining or disposing of a firm's human resources Many agree that HRM is the most effective tool which contributes to the creation of human capital and in turn contributes to organizational performance and the competitive advantage This book puts emphasis on understanding the role of HRM between organizations and people and provides an analytical approach toward encompassing HRM employment relations and organizational behavior As a management discipline HRM draws insights models and theories from cognate disciplines and applies them to real world settings Further this book discusses how current theoretical perspectives and frameworks e g those related to strategic competitiveness knowledge management learning organization communities of practice etc can be applied by reflective practitioners to create an eco friendly organizational culture
