Perspectives on Language

Assessment Literacy Sahbi Hidri, 2020-06-08 Perspectives on Language Assessment Literacy describes how the elements of language assessment literacy can help teachers gather information about when and how to assess learners and about using the appropriate assessment tools to interpret results in a fair way. It provides highlights from past and current research descriptions of assessment processes that enhance LAL case studies from classrooms and suggestions for professional dialogue and collaboration. This book will help to foster continuous learning, empower learners and teachers and make them more confident in their assessment tasks and reassure decision makers that what is going on in assessment meets international benchmarks and standards. It addresses issues like concepts and challenges of assessment, the impacts of reflective feedback on assessment, the ontogenetic nature of assessment literacy, the reliability of classroom based assessment and interfaces between teaching and assessment. It fills this gap in the literature by addressing the current status and future challenges of language assessment literacy. This book will be of great interest for academics, researchers and post graduate students in the fields of language assessment literacy and English language teaching.

Quality in TESOL and Teacher Education Juan de Dios Martínez Agudo, 2019-10-17 This volume takes a holistic view of the current trends and challenges in quality and quality assurance in TESOL and teacher education. Bringing together top scholars in the field from all over the world, the text features invaluable international perspectives with the common objective of improving the quality in TESOL and teacher education in constantly changing and challenging educational contexts globally. Grouped into four wide ranging thematic sections on multilingualism, diversity, teacher education and future challenges, the book addresses new obstacles faced by educational professionals in today's rapidly changing educational landscape by offering alternatives to quantitative targets. Chapter authors cover a range of contexts and timely issues including technology in the classroom, culturally relevant teaching, teaching for continuous improvement, professional development and monitoring and evaluating quality. Providing a forum of discussion on the intricacies, complexities and challenges related to the urgent question of quality in the field, this book is a must read for prospective ESL/EFL teachers and teacher educators.

Second Language Pronunciation Assessment Talia Isaacs, Pavel Trofimovich, 2016-12-22 This book is open access under a CC BY licence. It spans the areas of assessment, second language acquisition, SLA and pronunciation and examines topical issues and challenges that relate to formal and informal assessments of second language L2 speech in classroom research and real world contexts. It showcases insights from assessing other skills e.g. listening and writing and highlights perspectives from research in speech sciences, SLA, psycholinguistics and sociolinguistics including lingua franca communication with concrete implications for pronunciation assessment. This collection will help to establish commonalities across research areas and facilitate greater consensus about key issues, terminology and best practice in L2 pronunciation research and assessment. Due to its interdisciplinary nature, this book will appeal to a mixed audience of researchers, graduate students, teacher educators and exam board staff with varying levels of expertise in pronunciation and assessment and wide ranging interests in applied
