Army Detective Dick Miller, 2018-01-24 Dick Miller is a retired special agent with the US Army Criminal Investigation Division who faithfully served his country for over twenty three years in the military and an additional twenty years working for various US government law enforcement intelligence and security agencies His book *Army Detective Life and Times of Dick Miller* not only chronicles his early years growing up in a small coal mining town in southwestern Indiana but goes into his first tour in the US Army where he served a year in Vietnam then left to pursue a college degree He writes about how his personal life studies and aspirations to work in law enforcement were hindered by his wife s refusal to support his career ambitions which overflowed into her disruptive personality and own personal desires to make him stay in their hometown without the hope of pursuing any type of career Knowing his life would be forever stagnated without hope of achieving his goals and realizing his marriage was a failure he reentered the US Army and achieved his career goal at the same time by seeking to serve as a CID special agent His decision caused his marriage to end but opened the opportunity to find true love with a different woman and establish a stronger bond with his son Chris His journey to become successful picked up momentum at this stage and as he rose through the ranks from a street investigator to senior investigative manager he accomplished a lifelong dream of having that career in law enforcement The many gruesome and violent crimes he investigated took their toll on his health and psyche Realizing what his lifelong career had done he had to find an avenue to allow him to keep associated with his work without the trials and tribulations of the job Knowing it was a risk to get out of investigations he pursued a position with the US Army Protective Services Unit This action would allow him to continue working until retirement This decision caused him to leave investigations but to stay in the job until his retirement At the end the US Army did offer him a chance to return to criminal investigations but he turned them down and retired He moved to Sun City Center Florida where he enjoys spending time with his wife of thirty five plus years Elda traveling throughout the United States and other parts of the world with her and reading the many books accumulated over the years
