Mobile Library David Whitehouse, 2015-01-20 From the award winning novelist David Whitehouse hailed by The New York Times as a writer to watch a tragicomic adventure about a troubled adolescent boy who escapes his small town in a stolen library on wheels An archivist of his mother Bobby Nusku spends his nights meticulously cataloging her hair clothing and other traces of the life she left behind By day Bobby and his best friend Sunny hatch a plan to transform Sunny limb by limb into a cyborg who could keep Bobby safe from schoolyard torment and from Bobby's abusive father and his bleach blonde girlfriend When Sunny is injured in a freak accident Bobby is forced to face the world alone Out in the neighborhood Bobby encounters Rosa a peculiar girl whose disability invites the scorn of bullies When Bobby takes Rosa home he meets her mother Val a lonely divorcee whose job is cleaning a mobile library Bobby and Val come to fill the emotional void in each other's lives but their bond also draws unwanted attention After Val loses her job and Bobby is beaten by his father they abscond in the sixteen wheel bookmobile On the road they are joined by Joe a mysterious but kindhearted ex soldier This puzzle of people will travel across England a picaresque adventure that comes to rival those in the classic books that fill their library on wheels At once tender provocative and darkly funny *Mobile Library* is a fable about the intrinsic human desire to be loved and understood and about one boy's realization that the kinds of adventures found in books can happen in real life It is the ingenious second novel by a writer whose prose has been hailed as outlandishly clever The New York Times and deceptively effortless The Boston Globe
