The Atlantic Monthly ,1858 1864 Charles Bracelen Flood,2009-02-03 In a masterful narrative historian and biographer Charles Bracelen Flood brings to life the drama of Lincoln s final year in which he oversaw the last campaigns of the Civil War was reelected as president and laid out his majestic vision for the nation s future in a reunified South and in the expanding West In 1864 Lincoln at the Gates of History the reader is plunged into the heart of that crucial year as Lincoln faced enormous challenges The Civil War was far from being won as the year began Lincoln had yet to appoint Ulysses S Grant as the general in chief who would finally implement the bloody strategy and dramatic campaigns that would bring victory At the same time with the North sick of the war Lincoln was facing a reelection battle in which hundreds of thousands of Peace Democrats were ready to start negotiations that could leave the Confederacy as a separate American nation free to continue the practice of slavery In his personal life he had to deal with the erratic behavior of his wife Mary Todd Lincoln and both Lincolns were haunted by the sudden death two years before of their beloved eleven year old son Willie 1864 is the story of Lincoln s struggle with all this the war on the battlefields and a political scene in which his own secretary of the treasury Salmon P Chase was working against him in an effort to become the Republican candidate himself The North was shocked by such events as Grant s attack at Cold Harbor during which seven thousand Union soldiers were killed in twenty minutes and the Battle of the Crater where three thousand Union men died in a bungled attempt to blow up Confederate trenches The year became so bleak that on August 23 Lincoln wrote in a memorandum This morning as for several days past

it seems exceedingly probable that this Administration will not be reelected But with the increasing success of his generals and a majority of the American public ready to place its faith in him Lincoln and the nation ended 1864 with the close of the war in sight and slavery on the verge of extinction 1864 presents the man who not only saved the nation but also despite the turmoil of the war and political infighting set the stage for westward expansion through the Homestead Act the railroads and the Act to Encourage Immigration As 1864 ends and Lincoln reelected is planning to heal the nation John Wilkes Booth whose stalking of Lincoln through 1864 is one of this book s suspenseful subplots is a few weeks away from killing him

The Architect ,1892 *Behavioral Processes in Online Identity-Related Issues* Xi Chen,Ivan Wen,Qixing Qu,Wenjing Chen,2024-07-11 With the development of advanced media technologies cyberspace is gradually transforming from temporal immersion into a state of new normal An increasing proportion of our daily lives has become a mix of physical and virtual worlds As a complex social psychological phenomenon online social identity has attracted widespread attention from academia to industry Identity related issues have been noted as an important subject of Internet interdisciplinary research including social psychology sociology personality psychology and health psychology Communication in cyberspace always carries some degrees of anonymity for users present virtual identities constructed by themselves in cyberspace hiding their real identities and constructing their online identities as a form of social identity enactment On the other hand online media provides tools and environments for virtual identity building Although the anonymity of the internet facilitates the subjects construction of their virtual identity their online virtual identity is not completely anonymous and can be identified and authenticated online thereby meaning we can research how online identity relates to real world identity Identification is a social process that matches internal self identity with external identity types and it is also a process and a reflection of internal perceptions and mere identification with a group has been shown to dramatically affect behavior as per social identity theory *You Come Too* Lesley Lee Francis,2015-12-03 Robert Frost observed in his wife Elinor a desire to live a life that goes rather poetically The same could be said of many members of the Frost family over several generations In *You Come Too* Frost s granddaughter Lesley Lee Francis combines priceless personal memories and rigorous research to create a portrait of Frost and the women including herself whose lives he touched Francis provides a vivid picture of Frost the family man revealing him to be intensely engaged rather than the aloof artist that is commonly portrayed She shares with us the devastation Frost and Elinor experienced when faced with tragic illnesses both physical and mental and the untimely death of family members Elinor s own death added to the poet s despair and unleashed complex feelings throughout the family Francis s mother would lament the toll taken on Elinor by what she perceived as Frost s selfishness in the life he had chosen This is also the story of Lesley Frost Francis s remarkable mother who struggled to emerge from her celebrated father s shadow while as one of the people closest to him sharing his intuitive impulse to write and to indulge their mutual love of books and poetry Francis would herself become yet another writer and like her grandfather and mother before her a teacher

despite sharing Frost's sense of being imperfectly academic. In addition, Francis explores Frost's professional relationships with women outside the family such as the poets Harriet Monroe, Amy Lowell, and Susan Hayes Ward. Francis's invaluable insights into Frost's poetry and her inclusion of previously unpublished family writings and photographs make this book essential to Frost scholarship. But *You Come Too* will appeal to anyone interested in this great poet's life and work. It also reveals unforgettable stories of strong independent women and their passion to create and share poetry.

And it also testifies that He is our Savior. So we can see the writer of the Gospel of Mark bearing witness of Jesus forcefully testifying that He is God Himself and our Savior. That's why I would like to bear witness of this Jesus Christ manifested in the Gospel of Mark as much as possible based on the gospel of the water and the Spirit. What is obvious is that the core Truth of Christianity is found in the gospel of the water and the Spirit. Jesus said to Nicodemus, "Most assuredly, I say to you, unless one is born of water and the Spirit, he cannot enter the kingdom of God." John 3:5. Where then is the gospel Truth of the water and the Spirit revealed? This Truth of salvation is revealed in detail in the ministry of Jesus and the ministry of John the Baptist, the substance of the gospel of the water and the Spirit. Faith in the gospel of the water and the Spirit exerts a tremendous influence on other people's souls. The faith of this gospel enables every believer to come before the holy God, come under the guidance of the Holy Spirit, and have a personal relationship with Jesus Christ. Such faith allows us to attain spiritual priesthood. We must preach that Jesus Christ is our Savior according to the revelation of the gospel of the water and the Spirit and our faith. So we do not want the gospel of the water and the Spirit to remain exclusively ours. This gospel of the water and the Spirit is the gospel that should be shared with everyone all over the world.
