*Miseducated* Brandon P. Fleming, 2021-06-15 An inspiring memoir of one man's transformation from a delinquent drug dealing dropout to an award winning Harvard educator through literature and debate all by the age of twenty seven Brandon P Fleming grew up in an abusive home and was shuffled through school his passing grades a nod to his skill on the basketball court not his presence in the classroom He turned to the streets and drug deals by fourteen saved only by the dream of basketball stardom When he suffered a career ending injury during his first

semester at a Division I school he dropped out of college toiling on an assembly line until depression drove him to the edge. Miraculously his life was spared. Returning to college, Fleming was determined to reinvent himself as a scholar to replace illiteracy with mastery over language to go from being ignored and unseen to commanding attention. He immersed himself in the work of Black thinkers from the Harlem Renaissance to present day. Crucially, he found debate, which became the means by which he transformed his life and the tool he would use to transform the lives of others, teaching underserved kids to be intrusive in places that are not inclusive. Eventually at Harvard University, where he would make champions and history. Through his personal narrative, readers witness Fleming's transformation, self-education, and how he takes what he learns about words and power to help others like himself. *Miseducated* is an honest memoir about resilience, visibility, role models, and overcoming all expectations.

It afforded Black artists a cultural gold mine to celebrate what it was like to be an African American in The New World. The *A to Z of African American Theater* celebrates nearly 200 years of Black theater in the United States, identifying representative African American theater producing organizations and chronicling their contributions to the field from its birth in 1816 to the present.
