the true story of the author's wife and how she became obsessed with technology and all the little gadgets that are supposed to make our life easier. Once upon a time she was a normal person, says author Kingsley Njoku. But that was before she met the iPhone. Siti Njoku, a Singaporean, was born into a simple world with a basic lifestyle. Born and raised in a developed country where revolutionary technologies flood the surroundings, she studied New Media and gradually developed an uncontrollable need for the different types and brands of assorted gadgets. It was soon impossible to separate herself from these devices; they had become a habit. Siti married the author in 2010 after two years of courtship. He also enjoys technological gadgets but comes to realize through her daily routines that Siti is an Apple lover who spends way too much time on her Apple computer and iPhone. Can this obsession mesh with a happy marriage? About the Author: Kingsley Njoku was born one of twelve siblings in Nigeria. He is now a student living in Europe. Windows Networking Tools Gilbert Held, 2016-04-19. This book discusses how built-in and third-party networking tools can be used to diagnose network problems and performance issues as well as enhance the security of computer systems. The author covers a variety of networking tools and demonstrates how they can be used to determine ahead of time whether or not existing Internet connectivity can support such activities as voice and video over IP. Coverage of other tools shows readers how to prevent keyboard hacking and negate the operation of unwanted advertisement trackers through checking for and eliminating different types of attack software.
