**The Journey** Alessandra Raed, David Baikie, 2020-12-30 The Journey is a theatre play inspired by some of the concepts of *The Divine Comedy* which is a long narrative poem written by Italian poet Dante Alighieri in the early 1300 The poem has an imaginative vision of the afterlife and describes Dante's travels through the three places Inferno Purgatory and Paradise while allegorically the poem represents the soul's journey towards God The poem is also a representation of the medieval Western world view of Christianity The conception of the poem also helped the development of the Western Church in the 14th Century The Journey follows a personal journey through the afterlife lived by David Baikie an Australian war veteran who hit the bottom of suicidal depression in his early 30s Using the structure of the poem the play is also divided into three parts Inferno Purgatory and Paradise and underlines David's fears emptiness distress and suicidal thoughts during his time in the Army and the recognition of the worst time of his life just after leaving the Army due to his illness The message of the play serves to show awareness to suicide and depression and the horrible feelings and thoughts that go along with it and that affect most people in our contemporary world Our culture is haunted by the unholy ghost of suicide the ones who surrender are mercilessly judged by society and those who don't are at risk of contagion How then do we help those on the edge of self destruction Through theatre The human spirit is magnificently resilient Choice is a signature of our species We choose to live and sometimes we choose to die but most times we make choices just to prove choice is possible Looking at suicide through theatre and accepting there is a choice it is a good choice In Dante's work Virgil the Roman poet who takes Dante through his journey is presented as the human reason Beatrice Dante's ideal woman is presented as the divine knowledge In the play the leading role of Dante is played by David Baikie who had recently discovered theatre as an art form of surviving and a life changing experience Virgil still symbolises the reason who constantly checks on Dante's thoughts showing him what he would have found on his way out of this life if he actually had left earlier

Beatrice in the play represents the true love an almost spiritual sense of love that has not much to do with the love as we know it but the love that is higher than our consciousness can possibly reach The Divine Comedy tells Dante s journey through the three realms of the dead Virgil guides Dante through Hell and Purgatory and Beatrice guides him through Heaven Beatrice was a Florentine woman Dante had met in childhood He admired her from afar in a courteous love tradition way In The Journey Dante David walks the dark road of hell recognizes the sacrifice and lessons of Purgatory and finally in Paradise he understands the reason we all are and must be alive in our own time That surrounded by love and small acts of everyday heroism towards other people we can actually choose to survive the darkness and to find light *The Journey* Lee Young,2013-11-11 What is God s plan for your life We all reach points in our life where we don t know what God wants from us Do I stay or go Do I work through or move on Do I do this or that God s ways are higher than ours but did you know that God has promised to reveal His most wonderful plans for our life To know His plan we must understand how God is using each event each relationship each struggle and celebration to move us into His best plan for our lives We all have joys disappointments celebrations and tragedies but understanding God s purpose in each of these is key to understanding His plan for our life Make this insightful teaching part of your library today and start understanding God s Plan for Your Life

**Entrapment** Ivan Tuttle,2014-04-11 Exciting new book by Ivan S Tuttle depicting the journey between Heaven Hell after he died and then came back to life Never has a book been written quite like this one before it takes you through the journey of his life up until his death then it takes you through his death experience and back to life Maybe one in five hundred billion can every say they have been to both places after dying He takes you into the pit of hell where people spoke to him He will describe the sights and smells of hell why he was there and why hell couldn t keep him One of the most interesting part of the book is when he goes to heaven and is greeted by an angel of the Lord what that angel showed him about the future and what he was supposed to do when he was sent back to earth There were gifts that God bestowed upon him before leaving heaven He was ordered not to talk about the experience until the Holy Spirit spoke to him to tell him to start telling people about it All in all you will find this book to be intriguing with some of the twists and turns in his life and what happened after he died Very few if any can speak about this subject with authority like he has Sit back and enjoy reading this unique perspective of heaven and hell once you start you won t want to put it down *The Journey to the West, Revised Edition, Volume 1*

Journey to the Kingdom Jon Meier,2025-08-13 This is a book of spiritual poems that are designed to lift up

the reader while speaking of Jesus and God's love. The book is something that could be added to your everyday devotion time. It could also help someone who is looking to strengthen their relationship with Jesus and God. I believe that Jesus and God are the purest forms of love in the world and everyone should be able to experience this feeling. The intent of the book is to help those whose souls are lost and let them get to know Jesus and God the way they have helped me in my spiritual growth.

Ultimate Journey Steven Rosen, 2008-10-30. Like taxes, death is inevitable. Everyone experiences it sooner or later. This book offers perspectives on death and dying from all major religions, written by experts in each of those religions. Focusing on the major world traditions, it offers important information about what death and dying means to those practicing these faiths. The second part of the book adds a necessary and truly unique perspective: a personal look at how people actually die in the various world religions, as told by a hospital chaplain with anecdotes and experiences that bring the death process to life so to speak. Each chapter engages the theology of each religion, giving quotes from the literature of their respective scriptural traditions to explain the process of dying, death, and the afterlife. In doing so, each author draws on the history of his respective tradition and looks at real-life figures, exemplars of the tradition, showing how practitioners view death and hope to one day engage the death process themselves.

*The Harz Journey and Selected Prose* Heinrich Heine, 2006-06-29. A poet whose verse inspired music by Schubert, Schumann, Mendelssohn, and Brahms, Heinrich Heine (1797-1856) was in his lifetime equally admired for his elegant prose. This collection charts the development of that prose, beginning with three meditative works from the *Travel Pictures* inspired by Heine's journeys as a young man to Lucca, Venice, and the Harz Mountains. Exploring the development of spirituality, the later *On the History of Religion and Philosophy in Germany* spans the earliest religious beliefs of the Germanic people to the philosophy of Hegel and warns with startling force of the dangers of yielding to primeval Germanic paganism. Finally, the *Memoirs* consider Heine's Jewish heritage and describe his early childhood. As rich in humour, satire, lyricism, and anger as his greatest poems, together the pieces offer a fascinating insight into a brilliant and prophetic mind.

*Spiritual Journey* Jameel Kermalli. The Religion al Islam emphasizes all Muslims, men and women, to embark on a sacrificial journey towards The Merciful Allah SWT. Most certainly, there is within all of us an inherent desire to attend to some spiritual matters and near The Absolute Truth. In this way, we would intensify our relationship with The Almighty and gain proximity. This book explored the path that one must follow in order to gain spirituality and nearness to Allah SWT.

**SOLID FOOD FOR JOURNEY EGYPT TO CANAAN: HOW TO REJOIN THE NARROW PATH TO ETERNAL LIFE & MAKE IT TO THE END** Elizabeth Gata-Viki, 2023-12-01. There is so much confusion and deception in the Church today. Just switch on the telly and you will see that Satan has largely succeeded in making a complete circus of the Church. There are so many false gospels, false doctrines, false teachers, and false Christians. Even the true Bride has lost its way. Many are truly born again and trying hard to hold on, but they cannot understand why the Holy Spirit has been largely aloof in their lives, even for years. God knows those who are His, the true Bride, the good fish in the dragnet, the wheat, and this

book is for them This book is written for the beleaguered Bride to provide clear direction for her to find her way out of deception and back onto the narrow path that leads to Life It is in essence an extended analogy which follows the trajectory of the journey of the Israelites from Egypt to Canaan to unpack what experiences a Christian should expect as they progress on their own journey to eternal life This is that journey which can only be made on the narrow path to life which Jesus spoke of and of which He solemnly warned that few Christians would find The book projects the Christian life as the protracted journey that it is not a single life changing incident somewhere in one's past Focusing on areas of deep confusion and deception in the Church it takes a candid and profound but practical look at those doctrines which are so fundamental to the Christian life and which form practical landmark pillars along that journey salvation justification the new birth sanctification perfection and glorification It is the passionate will of Jesus Christ through this book to bring to His besieged true Bride truth and clarity of understanding of these areas so that she may regain the narrow road and begin to steadily move forward towards the goal of the crown of salvation that coveted prize of the Christian journey which the Apostle Paul diligently laboured for spoke so passionately of and finally attained himself as we all should and can This first part of the book takes a very close look at exactly how God works in His children profoundly to transform them and get them into heaven Laying out very clearly what God's expectations of us are it also looks at our part in this work that He does both in us and through us with a focus on how to practically overcome our flesh our first enemy Mark 6:34 And Jesus when He came out saw a great multitude and was moved with compassion for them because they were like sheep not having a shepherd So He began to teach them many things
